Registered Office: 201(A) 2nd Floor, A wing, Crescenzo, C-38 & 39, G Block, Bandra-Kurla Complex, Mumbai, Maharashtra, India - 400 051

## 31<sup>st</sup> ANNUAL TRUSTEE REPORT TO THE UNITHOLDERS OF BARODA BNP PARIBAS MUTUAL FUND

Dear Investors,

The Board of Directors of Baroda BNP Paribas Trustee India Private Limited (“Trustee Company” or “Trustee”), Trustee to Baroda BNP Paribas Mutual Fund (“Mutual Fund”), has pleasure in presenting the 31<sup>st</sup> Annual Report and the audited accounts of the schemes of the Mutual Fund for the financial year ended March 31, 2025.

As on March 31, 2025, there were 43 Schemes under the Mutual Fund with Assets under Management (‘AUM’) of Rs. 42,103.50 crores.

### BRIEF BACKGROUND OF SPONSOR, TRUST, TRUSTEE COMPANY AND AMC

#### 1. Sponsors

##### **BANK OF BARODA (CO-SPONSOR)**

Bank of Baroda (BOB) is a body corporate under the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970. BOB was founded in 1908 by Maharaja Sayajirao Gaekwad III and was nationalised in 1969. Presently, BOB is an Indian state-owned entity in the banking and financial services sector. As on March 31, 2025, the government owns 63.97% of its paid-up share capital. Its shares are listed on the Bombay Stock Exchange (“BSE”) and National Stock Exchange (“NSE”).

BOB’s operations consist of Corporate Banking, Micro, Small and Medium Enterprise (MSME) Banking, Agriculture Banking, Retail Banking and others.

As on March 31, 2025, the Bank had ₹ 14,72,035 crore and ₹12,30,461 crore in Global Deposits and Global Gross Advances respectively, with an Operating Profit of ₹32,435 Crore and ₹17,81,247 crore worth of Total Assets. BOB has 8,424 branches in India, with over 74,000 employees. Its international experience spans over 69 years, with 84 branches and offices (including branches of its subsidiaries) across 17 countries. For more information, please see <https://www.bankofbaroda.in/>.

##### **BNP PARIBAS ASSET MANAGEMENT ASIA LIMITED (CO-SPONSOR)**

BNP Paribas Asset Management Asia Limited (“BNPP Asia”) was incorporated in Hong Kong on October 29, 1991 and is licensed with the Securities and Futures Commission to conduct Type 1 (dealing in securities), Type 4 (advising on securities), Type 5 (advising on futures contracts) and Type 9 (asset management) regulated activities under the Securities and Futures Ordinance.

BNPP Asia specializes in the Asian markets for investment funds management /advisory and discretionary mandates as a part of BNP Paribas Asset Management, the autonomous asset management business of the BNP Paribas Group. For more information, please see <https://www.bnpparibas-am.hk/>

#### 2. Baroda BNP Paribas Mutual Fund

Baroda BNP Paribas Mutual Fund (“Mutual Fund”) has been constituted as a trust in accordance with the provisions of the Indian Trusts Act, 1882 (2 of 1882), by BOB and BNPP Asia, as the Sponsors, and Baroda BNP Paribas Trustee India Private Limited as the Trustee Company as per the terms of the Trust Deed dated October 30, 1992 as amended vide the Supplement to the Deed of Trust dated August 12, 2008, Supplemental Deed dated July 30, 2012, the Deed of Variation dated September 27, 2018 and Deed of Variation dated March 14, 2022 (hereinafter collectively referred to as the “Baroda BNP Paribas Trust Deed”). Baroda BNP Paribas Mutual Fund has been registered with SEBI under the same registration number viz. SEBI Registration No. MF/018/94/02.

### 3. Baroda BNP Paribas Trustee India Private Limited

Baroda BNP Paribas Trustee India Private Limited acts as the Trustee (“Trustee Company”) as per the terms of the Trust Deed dated October 30, 1992 as amended vide the Supplement to the Deed of Trust dated August 12, 2008, Supplemental Deed dated July 30, 2012, the Deed of Variation dated September 27, 2018 and Deed of Variation dated March 14, 2022 (hereinafter collectively referred to as the “Baroda BNP Paribas Trust Deed”)

The Trustee Company through its Board of Directors, discharges obligations as Trustee of the Mutual Fund. The Trustee Company ensures that the transactions entered into by the AMC are in accordance with the SEBI (Mutual Funds) Regulations, 1996 and also reviews the activities carried on by the AMC.

The Trustee Company is the exclusive owner of the Trust Fund and holds the same in trust for the benefit of the unit holders. It has been discharging its duties and carrying out the responsibilities as provided in the SEBI (Mutual Funds) Regulations, 1996 (“SEBI MF Regulations”) and the Trust Deed. It seeks to ensure that the Mutual Fund and the schemes floated thereunder are managed by the AMC in accordance with the Trust Deed, the SEBI MF Regulations, directions and guidelines issued by SEBI, the Stock Exchanges, the Association of Mutual Funds in India (AMFI) and other regulatory agencies.

| Mr. Vincent Trouillard-Perrot | Associate Director   |

*\*Mr. S. Ramakrishnan, was appointed as an Additional (Independent) Director as on July 11, 2025.*

## RISK MANAGEMENT SYSTEM

SEBI vide its circular dated September 27, 2021 (now superseded by Master circular dated June 27, 2024), mandated the establishment of a full-fledged Risk Management framework for mutual funds in India covering risk management across functions of an AMC. The AMC has put in place a Risk Management Framework covering all aspects of the SEBI Circular.

## FUTURE OUTLOOK AND OPERATIONS OF THE SCHEMES

Escalating trade tensions have been swinging the world on an uncertainty around the impact of the tariffs. The concerns are around its immediate impact on world growth and inflation. Geo-political concerns are leading to significant uncertainty and volatility in world market.

Amidst volatile external environment, Indian economy continues to demonstrate resilience supported by sectoral performance and improving consumption trends. The Indian economy recorded a sequential pick-up in growth during Q4:2024-25 driven by a surge in net indirect tax collections and a strong performance in agriculture and construction..Despite headwinds to global trade and world demand, domestic exports expanded to ~\$ 437 bn, primarily supported by services exports, with total services exports reaching a record high of US\$ 387.5 billion in FY25, marking a 13.6% y/y increase. With growth in exports surpassing that of imports, the net exports contributed positively to GDP growth by ~3.7% in Q4:2024-25.

RBI in its June-2025 policy included a series of announcements starting from a rate cut of 50bps (market expected 25bps as consensus), to shift in stance from ‘accommodative’ to ‘neutral’ and then a surprise CRR rate cut of 100bps in four tranches of 25bps each. The change in stance also signals no further rate cuts. The CRR rate cut indicates that the liquidity conditions will remain encouraging for the transmission of rate cuts.

### Mutual Fund Industry Overview

The Average Assets managed by the Indian mutual fund industry have grown from ₹55.01 trillion in FY 2023-24 to ₹66.70 trillion in FY 2024-25. That represents a 21% growth in assets over the last one year. The industry continued to see healthy growth in SIP accounts as well as flows from smaller towns. The proportionate share of equity-oriented schemes (includes equity and balanced schemes) continues to grow and is now 58% of the industry assets up from 55% in FY 2023-24.

The passive funds continued to grow, are now accounted for 17% of industry assets. Equity passive funds recorded strong growth in the financial year.

### Distribution Network

The AMC has continued to expand its distribution footprint. The AMC has 26,346 empanelled distributors as on March 31, 2025 as against 21,603 as on March 31, 2024, a growth of 22% mainly attributed towards empanelment of Individual Mutual fund distributors.

Further, the Mutual Fund schemes of the company are available on all leading Fin-tech platforms.

### **Investor Education Activity**

Throughout the fiscal year 2024-25, the Company organized a range of investor education programs using both physical and digital platforms. These initiatives aimed to help current and potential investors overcome misconceptions and hurdles related to mutual fund products while providing comprehensive education about Mutual Funds as investment avenue. A total of 65 such investor awareness programs were held, with 5700+ participants attending across India. Additionally, the AMC has been actively developing content to educate investors on various categories and sectors, utilizing media such as videos, gifs, images, and articles as part of the Investor Awareness Program (IAP) initiative in multiple languages. The AMC is working to expanding its outreach and conducting more IAP events and campaigns throughout the year, to spread investor awareness. As part of this effort, the AMC is rolling out monthly campaigns to engage and educate potential investors.

### **New Initiatives:**

The following initiatives were taken to engage investors and distributors throughout the year.

- **Digital Content Creation and Marketing:**

This year, the AMC undertook a major revamp of website, transforming it into a more user-friendly, interactive, and data-rich platform designed to enhance investor experience and accessibility. Alongside, the AMC strengthened its digital presence through innovative performance marketing campaigns, which significantly boosted visibility and investor engagement. The marketing strategy of AMC included targeted digital content, supported by strong branding, advertising, and PR initiatives.

### **Future Plans of the AMC**

In FY 2024-25, the AMC delivered a strong performance, with Average Assets Under Management (AAUM) reaching ₹45,541 crores in March 2025 reflecting a 28% year-on-year growth, ahead of the industry's 21% growth. The expansion in the business was supported by continued investments in platform, with enhancements across investment management, sales, risk, operations, and support teams. National footprint of AMC expanded through new branch openings, while the distribution network was further strengthened, with Bank of Baroda remaining a cornerstone of the reach.

The AMC launched a series of new products across active and passive categories, including goal oriented and thematic funds, as well as index-based solutions reflecting our commitment to offering innovative low-cost investor-relevant offerings.

In the FY 2024-25, the AMC launched new products successfully in both the active and passive categories. This helped fill product gaps in the product offering. The AMC launched schemes in both Solution Oriented Fund categories (Baroda BNP Paribas Retirement Fund and Baroda BNP Paribas Children's Fund), 3 Equity Funds (Baroda BNP Paribas Manufacturing Fund, Baroda BNP Paribas Dividend Yield Fund, and Baroda BNP Paribas Energy Opportunities Fund), an ETF (Baroda BNP Paribas NIFTY Bank ETF) and 2 Index Funds (Baroda BNP Paribas Nifty200 Momentum 30 Index Fund and Baroda BNP Paribas NIFTY Midcap 150 Index Fund). The AMC has plans to continue to launch new funds based on assessment of potential investment opportunities and demand for such funds.

During the year, the AMC also enhanced its public engagement efforts by actively collaborating with newspapers, television, and podcasts in multiple languages including Hindi, Gujarati, and Marathi. Investor education series Mumbo Jumbo was published as a book and has received encouraging feedback from partners, investors and distributors.

Additionally, the AMC introduced PodTales, a new podcast featuring its officials, in engaging conversations designed to simplify investing and promote financial literacy through story telling.

The financial year 2024-25 was a year of continued growth for Baroda BNP Paribas AMC. The AMC continues to expand geographically as well as increase its presence on major distribution platforms. It has been strengthening distribution capabilities by increasing the breadth and depth of engagement with the distribution partners. Bank of Baroda continues to be a pillar of strength for the distribution and reach.

The GIFT CITY branch of AMC became operational in April 2024. The AMC now manages/ advises 3 India dedicated funds. We would leverage presence in GIFT City to launch new funds / strategies based on market demand.

### Expanding the scope of Investor and Partner Engagement:

- The AMC plans to increase the number of Investor awareness programs in the next fiscal year. It will be using both physical and digital modes to create awareness about the Mutual Funds.
- The AMC is also working on a series of initiatives to expand the distribution network and engagement. The AMC is also expanding the product range, reach and visibility.

However, there is no assurance that the objective of the Scheme will be realised and the Scheme does not assure or guarantee any returns.

**38. BARODA BNP PARIBAS NIFTY SDL DECEMBER 2028 INDEX FUND (An Open-ended Target Maturity Index Fund replicating/ tracking the NIFTY SDL December 2028 Index. A relatively high interest rate risk and relatively low credit risk scheme)**

**Investment Objective:** The investment objective of the Scheme is to provide investment returns closely corresponding to the total returns of the securities as represented by the Nifty SDL December 2028 Index before expenses, subject to tracking errors, fees and expenses.

However, there is no assurance that the objective of the Scheme will be realised and the Scheme does not assure or guarantee any returns.

**39. BARODA BNP PARIBAS Nifty 50 Index FUND (An Open-ended Scheme replicating / tracking the NIFTY 50 Total Return Index)**

**Investment Objective:** The investment objective of the Scheme is to provide investment returns closely corresponding to the total returns of the securities as represented by the Nifty 50 Total Returns Index before expenses, subject to tracking errors, fees and expenses. However, there is no assurance that the objective of the Scheme will be realized, and the Scheme does not assure or guarantee any returns.

**40. BARODA BNP PARIBAS Gold ETF (An Open-ended Scheme replicating/tracking domestic price of Gold)**

**Investment Objective:** The investment objective of the Scheme is to provide investment returns closely corresponding to the Domestic Price of Gold before expenses, subject to tracking errors, fees and expenses by investing in physical gold. However, there is no assurance that the objective of the Scheme will be realized, and the Scheme does not assure or guarantee any returns.

**41. BARODA BNP PARIBAS NIFTY BANK ETF (An Open-ended scheme replicating / tracking the Nifty Bank Total Return Index)**

**Investment Objective:** The investment objective of the scheme is to provide investment returns closely corresponding to the total returns of the securities as represented by the NiftyBank Total Returns Index before expenses, subject to tracking errors, fees and expenses. However there is no assurance that the objective of the Scheme will be realized and the Scheme does not assure or guarantee any returns.

**42. BARODA BNP PARIBAS NIFTY200 MOMENTUM 30 INDEX FUND (An Open-ended scheme replicating / tracking the Nifty200 Momentum 30 Total Returns Index)**

**Investment Objective:** The investment objective of the scheme is to provide investment returns closely corresponding to the total returns of the securities as represented by the Nifty200 Momentum 30 Total Returns Index before expenses, subject to tracking errors, fees, and expenses. However, there is no assurance that the objective of the Scheme will be achieved.

#### 43. BARODA BNP PARIBAS NIFTY MIDCAP 150 INDEX FUND (An Open-ended scheme replicating / tracking the Nifty Midcap 150 Total Returns Index)

**Investment Objective:** The investment objective of the Scheme is to provide investment returns closely corresponding to the total returns of the securities as represented by the Nifty Midcap 150 Total Returns Index before expenses, subject to tracking errors, fees, and expenses.

### POTENTIAL RISK CLASS MATRIX OF THE SCHEMES AS ON MARCH 31, 2025

Refer Annexure 1.

### PERFORMANCE OF ALL SCHEMES AS ON MARCH 31, 2025

Refer Annexure 2.

### SIGNIFICANT ACCOUNTING POLICIES

The Significant accounting policies form part of the Notes to the Accounts annexed to the Balance Sheet of the Schemes in Full Annual report. Accounting policies applied are in accordance with Securities and Exchange Board of India (Mutual Funds) Regulations, 1996.

### INVESTMENT IN FOREIGN SECURITIES BY MUTUAL FUNDS

As per para 12.19 of SEBI Master Circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 pertaining to 'Overseas Investment', a Mutual Fund may invest in foreign securities and overseas ETFs subject to following limits:

|                    |                   |
|--------------------|-------------------|
| Foreign Securities | US \$ 1 Billion   |
| Overseas ETFs      | US \$ 300 Million |

As on March 31, 2025, none of the schemes of the Mutual Fund invest in foreign securities, except Baroda BNP Paribas Aqua Fund of Fund (BBNPP Aqua). BBNPP Aqua is a feeder fund of fund launched in May 2021 investing upto 98% of its net assets in BNP Paribas Funds Aqua (Lux) (Underlying Fund), with rest invested into money market instruments and/or money market/overnight/liquid schemes, in order to meet liquidity requirements. The amount of overseas investment by BBNPP Aqua is USD 4.4 mn as on March 31, 2025.

Baroda BNP Mutual Fund has unidentified unclaimed dividend and redemption amounts of Rs.2.49 Crores as of March 31, 2025 (Rs.2.49 Crores as of March 31, 2024). As represented by the management, these amounts are not recorded in the schemes financial statements as it pertains to unidentified investors prior to March 31, 2008. Had this amount been identified, it would have been recorded as asset and liability in the respective schemes resulting in no impact in net asset value. Further, there is unidentified unclaimed refund amount of Rs. 0.63 crores as of March 31, 2025 (Rs. 0.58 crores as on March 31, 2024). Had the schemes for these amounts been identified, it would have been recorded as asset and liability in the respective schemes resulting in no impact in net asset value.

Investors may write to [service@barodabnp-paribas-mf.in](mailto:service@barodabnp-paribas-mf.in) or call on 1800-267-0189 (Monday to Saturday, 9 AM to 7 PM), to get any details on unclaimed amounts.

## INVESTOR COMPLAINTS

In terms of clause 5.13 of SEBI Master Circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 pertaining to 'Disclosure of investor complaints with respect to Mutual Funds', the data on redressal of complaints received against Mutual Fund during FY 2024-25 is provided in **Annexure 3**.

## PROXY VOTING POLICY AND RELATED DETAILS

(a) In terms of para 6.16 of SEBI Master Circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 pertaining to 'Role of Mutual Funds in Corporate Governance of Public Listed Companies', the general policies and procedures for exercising the voting rights in respect of shares held by the Mutual Fund (key extract) is provided in **Annexure 4**.

(b) The summary of votes cast during the FY 2024-25 by AMC was as follows:

| BARODA BNP PARIBAS ASSET MANAGEMENT INDIA PRIVATE LIMITED |                          |                          |                           |         |           |
|-----------------------------------------------------------|--------------------------|--------------------------|---------------------------|---------|-----------|
| F.Y.                                                      | Quarter                  | Total no. of resolutions | Break-up of Vote decision |         |           |
|                                                           |                          |                          | For                       | Against | Abstained |
| 2024-25                                                   | Quarter 1 (April - June) | 487                      | 464                       | 23      | 0         |
|                                                           | Quarter 2 (July - Sept)  | 1930                     | 1826                      | 104     | 0         |
|                                                           | Quarter 3 (Oct - Dec)    | 214                      | 187                       | 27      | 0         |
|                                                           | Quarter 4 (Jan - Mar)    | 348                      | 325                       | 23      | 0         |

For the complete voting details, Unitholders can log on to the website of the Fund at [www.barodabnpparibasmf.in](http://www.barodabnpparibasmf.in)

## STEWARDSHIP POLICY OF THE MUTUAL FUND

Unit holders may note that pursuant to the Annexure 10 of SEBI Master Circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 on stewardship code for all Mutual Funds and all categories of AIFs, in relation to their investment in listed equities, the Board of Directors of the AMC and Trustee Company have adopted a Stewardship policy to enhance the quality of engagement between institutional investors and the investee companies to help improve the corporate governance practices with a view to enhance long term returns to investors.

As required under Principle 6 of the Stewardship guidelines, Mutual Fund should report periodically on their stewardship activities. Accordingly, the status on principles under Stewardship Code for the period April 01, 2024 to March 31, 2025, is provided as **Annexure 5**.

## DISCLOSURE OF CHANGES IN RISK-O-METER

In terms of para 17.4 of SEBI Master Circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 pertaining to 'Product Labeling in Mutual Funds', details on changes in risk-o-meter of the schemes of the Mutual Fund during FY 2023-24 is provided in **Annexure 6**.

## DISCLOSURE PERTAINING TO NAV ADJUSTED FOR SWING FACTOR ALONG WITH PERFORMANCE IMPACT

Swing pricing refers to a process for adjusting a scheme's Net Asset Value (NAV) to effectively pass on transaction costs stemming from net capital activity (i.e., flows into or out of the fund) to the investors associated with that activity. This would help to ensure fairness of treatment to all the Unitholders i.e. whether entering, exiting or remaining invested in mutual fund schemes, particularly during market dislocation.

Accordingly, mandatory full swing during market dislocation times shall apply for the applicable schemes as per the framework and as disclosed in the respective scheme related documents.

In terms of SEBI Master circular of June 27, 2024, disclosures pertaining to NAV adjusted for swing factor shall be made available by the AMC in the prescribed format in the Scheme Information Document and in scheme wise Annual Reports and Abridged summary thereof and on the website in case swing pricing framework has been made applicable for a mutual fund scheme.

During the period of the report, there were no circumstances which warranted application of swing pricing for any of schemes of the Fund.

#### **STATUTORY INFORMATION & LIABILITIES**

The Sponsor is not responsible or liable for any loss resulting from the operations of the schemes beyond the initial contribution of Rs.10 lakh for setting up the Fund and such other accretions/ additions to the same. The associates of the Sponsor / AMC are not responsible or liable for any loss or shortfall resulting from the operations of the scheme(s).

The price and redemption value of the units and income from them can go up as well as down with the fluctuations in the market value of its underlying investments.

| Relatively High: Class III<br>(Any MD)    | <b>A-III</b>                     |                            |                                   |

MD=Macaulay Duration, CRV=Credit Risk Value.

\*The PRC matrix denotes the maximum risk that the respective Scheme can take i.e. maximum interest rate risk (measured by MD of the Scheme) and maximum credit risk (measured by CRV of the Scheme)

**Glossary:**

**A-I: A scheme with Relatively Low Interest rate risk and Relatively Low Credit Risk.**

**A-III: A scheme with Relatively High Interest rate Risk and Low Credit Risk**

**B-I: A scheme with Relatively Low Interest rate Risk and Moderate Credit Risk.**

**B-II: A scheme with Moderate Interest rate Risk and Moderate Credit Risk.**

**B-III: A scheme with Relatively High Interest rate Risk and Moderate Credit Risk.**

**C-III: A scheme with Relatively High Interest rate Risk and Relatively High Credit Risk.**

### PERFORMANCE OF SCHEMES AS ON MARCH 31, 2025

|    | Performance Commentary:                | The Scheme launch coincided with a sharp upmove in manufacturing names when it was underinvested. The last 6-month has managed to recover about 40bps of that trail.                                 |             |              |              |                                |                               |                                 |

|    | CRISIL Hybrid 35+65 - Aggressive Index      | -5.72                                                                                                                                                                                  | 7.36        | 11.38        | 18.99        | 12.27                          | 12.27                         |                                 |
|    | Performance Commentary:                     | The fund has a good performance over the longer term (3-year, 5-year and since inception). The last 1-year had a trail on account of an adverse sector selection stance on financials. |             |              |              |                                |                               |                                 |

|    | Performance Commentary:                                                    | The scheme is focused on identifying healthy companies with AA or below rating as per the regulations. The aim is on higher accrual/lower duration and potential upgrade issuers to make gains from spread compression. The scheme has performed in line with the benchmark performance. |             |              |              |                                |                               |                                 |

|                    | Performance Commentary:                               | Gilt funds are mandated to take duration calls in G-Secs of varied maturity. The fund has consistently maintained duration with a view of falling rates. The scheme has performed in line with the benchmark performance. |             |              |              |                                |                               |                                 |

|  | <b>Performance Commentary:</b> | Since this is an ETF tracking the allocation of the fund is in the index stocks. The performance of the fund is in line with the index and within the permissible tracking error in the last one year. |             |              |              |                                |                               |                                 |

*RBI Conversion rate applied for the portfolio valuation for the Indian Feeder is used for converting benchmark figures from USD to INR in Baroda BNP Paribas Funds Aqua Fund of Fund.*

Where performance for particular period is not available, the same is indicated as NA.

**Past performance may or may not be sustained in future and should not be used as a basis of comparison with other investments. Returns do not take into account the load, if any. Returns are for growth option.**

**Performance of Baroda BNP Paribas Energy Opportunities Fund, Children's Fund, Nifty 200 Momentum 30 Index Fund and Nifty Midcap 150 Index Fund are not provided as these schemes have not completed 6 months as on March 31, 2025.**

^The inception date of Baroda BNP Paribas Corporate Bond Fund is November 8, 2008. However, since there was no continuous NAV history available for this plan prior to May 10, 2010, the point to point return from since inception may not be the true representation of the performance of the scheme. Hence, the returns since May 10, 2010 have been considered for calculating performance for the since inception.

### **KEY EXTRACT OF PROXY VOTING POLICY**

SEBI vide its Circular no. SEBI/IMD/CIR No 18 / 198647 /2010 dated March 15, 2010 (now superseded by Master circular dated June 27, 2024) mandated all the AMCs to disclose their general policies and procedures for exercising the voting rights in respect of their shareholdings on their respective website as well as in the annual report distributed to the unit holders.

Accordingly, Baroda BNP Paribas Asset Management India Private Limited (AMC) has outlined “Proxy Voting Policy” (the Policy) which set out the expectations of public companies in which the AMC invest, on behalf of its schemes. The expectations are clearly laid out through a set of principles which create a framework by which AMC executes its ownership responsibilities.

The following principles describe AMC’s expectations of public companies in which investments are made. They act as a guiding framework by which AMC executes its ownership responsibilities. These governance measures and voting principles shall be applied to all the companies including the group /associate companies of the AMC and to the companies that have subscribed to the units of the schemes.

1. Act in the long-term interests of shareholders;
2. Align incentive structures with long-term interests of shareholders;
3. Ensure strong independent presence within board structure;
4. Disclose accurate, adequate, and timely information;
5. Treat shareholders equitable and protect minority rights;
6. Facilitate the execution of shareholders rights;
7. Ensure good environmental and social performance;

The AMC shall vote in the interest of its unit holders. AMC shall act with appropriate care, skill, prudence and diligence. AMC has constituted a Proxy Voting Committee to decide on the voting matters. This Committee is empowered to establish voting guidelines and is responsible to ensure that these guidelines and procedures are followed. As voting is considered as an integral part of the investment process, the final responsibility for voting lies with the Head of Investment Department.

The Members of this Committee are as follows:

- i. Chief Executive Officer (CEO)
- ii. Chief Investment Officer – Equity (CIO - Equity)
- iii. Equity Fund Managers
- iv. Head of Compliance
- v. Chief Operating Officer & Chief Financial Officer (COO & CFO)
- vi. Chief Investment Officer – Fixed Income or a Fixed Income Fund Manager as nominated by CIO-Fixed Income can join by invitation.

Quorum of the Committee shall be at least 3 members. Frequency of the meeting shall be determined basis the receipt of the meeting notice from the specified (investee) companies. Committee may decide on method of conduct of meeting.

The policy provides for guidelines and detailed information on how AMC will vote on the most common voting items like:

1. Financial Statements / Director and Auditor Reports
2. Appointment of Auditors and Approval of Audit Fees
3. Article Amendments
4. Board elections
5. Discharge of Board and Management
6. Remuneration of directors
7. Share Issuance Requests
8. Authorized Capital
9. Share Repurchase Plan/Buy Back of Shares
10. Debt restructuring
11. Mergers and Acquisition
12. Corporate Restructuring including Spin-offs, Asset Sales and Liquidations
13. Voting Procedures
14. Inadequate Information
15. Environmental and Social Performance
16. Other Matters

AMC understands its fiduciary duty to vote and that voting decisions may affect the value of shareholdings. Therefore, AMC will generally attempt to process every proxy it receives for all domestic securities. However, there may be situations in which AMC may be unable to vote a proxy, or may choose not to vote a proxy, such as where: (i) proxy ballot was not received from the custodian, (ii) a meeting notice was received too late; (iii) the AMC held shares on the record date but has sold them prior to the meeting date i.e. where the Investment Manager has no economic interest on the day of voting etc.; (iv) the AMC believes it is not in the best interest of the investors to vote the proxy for any other reason not enumerated herein, etc.

The vote will be cast at Mutual Fund Level. However, in case Fund Manager/(s) of any specific scheme has strong view against the views of Fund Manager/(s) of the other schemes, the voting at scheme level will be allowed subject to recording of detailed rationale for the same.

**The unit holders are requested to please visit our website [www.barodabnp-paribas-mf.in](http://www.barodabnp-paribas-mf.in) for detailed copy of above stated Policy.**

## BARODA BNP PARIBAS MUTUAL FUND

### REPORT ON STEWARDSHIP CODE FOR FINANCIAL YEAR 2024-25

Pursuant to SEBI Circular no. CIR/CFD/CMD1/168/2019 dated December 24, 2019(now superseded by Master Circular dated June 27, 2024), all Mutual Funds must follow a **Stewardship Code** with regard to schemes' investments in listed equities of investee companies.

The Stewardship Code is a principles-based framework that assists institutional investors in fulfilling their responsibilities to help them protect and enhance the value of their clients and beneficiaries. It includes key principles regarding monitoring of investee companies by having engagement with the company management, voting on shareholder resolutions pertaining to the companies and disclosures relating thereto.

Under Principle 6 of the Stewardship guidelines, Mutual Funds should report periodically on their stewardship activities. As a status on principles under Stewardship Code for the period April 01, 2024 to March 31, 2025, is provided below:

| Sr. No. | Principles of Stewardship Code                                                                                                                                                                                                                                                                               | Status for Baroda BNP Paribas Mutual Fund on Principles of Stewardship Code                                                                                                                                                                                                                                                                                           |
|---------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.      | Institutional Investors should formulate a comprehensive policy on the discharge of their stewardship responsibilities, publicly disclose it, review and update it periodically.                                                                                                                             | Complied. The AMC has formulated the Stewardship Code (Code). The Code is approved by the Board of Directors of the AMC & Trustee Company. The Code is disclosed on the AMC's website ie <a href="http://www.barodabnpparibasmf.in/mandatory-disclosures">www.barodabnpparibasmf.in/mandatory-disclosures</a>                                                         |
| 2.      | Institutional investors should have a clear policy on how they manage conflicts of interest in fulfilling their stewardship responsibilities and publicly disclose it.                                                                                                                                       | Complied. The Code lists instances of potential conflict between the AMC and unitholder's interest. The AMC ensures that unitholder's interest is given paramount importance at all times.                                                                                                                                                                            |
| 3.      | Institutional investors should monitor their investee companies.                                                                                                                                                                                                                                             | Complied. The investment team interacts with the Company management, review's company's financials, business updates/outlook, broker reports, attends management calls by companies and access publicly available information as part of monitoring of the Company.                                                                                                   |
| 4.      | Institutional investors should have a clear policy on intervention in their investee companies. Institutional investors should also have a clear policy for collaboration with other institutional investors where required, to preserve the interests of the ultimate investors, which should be disclosed. | Complied. The AMC has mentioned a part of the Code the steps to be taken incase of any significant concern identified eg. Poor corporate governance practices, lawsuits/litigations, non-compliance with applicable regulations, wherein AMC believes a need for intervention has arisen to protect value of its investment and discharging its responsibility to its |

|----|-------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|    |                                                                                                 | unitholders. There have been no instances which required intervention by the Investment team during FY 24-25                                                                                                                                                                                                          |
| 5. | Institutional investors should have a clear policy on voting and disclosure of voting activity. | Complied. The AMC has formulated a Voting Policy which is available on its website, <a href="http://www.barodabnpparibasmf.in/mandatory-disclosures">www.barodabnpparibasmf.in/mandatory-disclosures</a> . Further, on a quarterly basis, disclosures on votes cast during the quarter is disclosed on AMC's website. |
| 6. | Institutional investors should report periodically on their stewardship activities.             | Complied. This report has been uploaded on AMC's website under Statutory Disclosures and also being sent to investors as part of the annual report of the Mutual Fund for FY 24-25.                                                                                                                                   |

Yours faithfully,

For **Baroda BNP Paribas Asset Management India Private Limited**

Ms. Nisha Sanjeev

**Head – Compliance, Legal & Secretarial**

Place: Mumbai

Date: May 13, 2025.

Annual Disclosure of Risk-o-meters for the Financial Year ended March 31, 2025  
(as per clause 17.4 of Master Circular for Mutual Funds dated June 27, 2024)

## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
Baroda BNP Paribas Mutual Fund

Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying financial statements of the schemes mentioned below (collectively 'the Schemes'), which comprise the Balance Sheets as at 31 March 2025, the Revenue Accounts, the Cash Flow Statements and the Statements of changes in net asset attributable to unit holders of the Schemes for the year/period then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

| Sr. No. | Name of the Schemes                                  |

^Schemes launched during the year and hence the Revenue Account, Cash Flow Statement and Statement of Changes in Net Asset attributable to Unitholders of the Schemes prepared for the period beginning the respective launch dates of the Schemes to 31 March 2025.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto ('the SEBI Regulations'):

- (a) in the case of Balance Sheets, of the state of affairs of the respective Scheme as at 31 March 2025;
- (b) in the case of the Revenue Accounts, of the surplus/deficit for the respective Schemes for the year/period, as applicable, ended on that date;
- (c) in the case of the Cash Flow Statements, of the cash flow of the respective Schemes for the year/period, as applicable, ended on that date; and

- (d) in the case of Statements of changes in net asset, of the changes in net asset attributable to the unit holders of the respective Schemes for the year/period, as applicable, ended on that date.

#### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Schemes in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of Baroda BNP Paribas Asset Management India Private Limited (the "AMC") and Baroda BNP Paribas Trustee India Private Limited (the "Trustees") are responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of management and Those Charged with Governance for the Financial Statements

The Board of Directors of the AMC and Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in net asset attributable to the unit holders of the Schemes in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS), the SEBI Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the SEBI regulations for safeguarding of the assets of the Schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, the design, implementation and maintenance of adequate internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Schemes' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Schemes' financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Schemes' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause any Schemes to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provided the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

1. As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- b. In our opinion, the balance sheets and revenue accounts dealt by this report have been prepared in conformity with the accounting policies and standards specified in the Ninth Schedule to the Regulations; and
  - c. The balance sheets, revenue accounts, the cash flow statements and statement of changes in net asset attributable to unit holders of the Schemes dealt with by this report are in agreement with the books of account of the respective Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non traded securities in good faith as at March 31, 2025, wherever applicable, are in accordance with the SEBI Regulations and other guidelines issued by the Securities and Exchange Board of India, as applicable, and approved by the Board of Directors of the Trustees, and are fair and reasonable.

2 Basis of preparation and presentation

2.1 Statement of compliance

The financial statements of the Fund have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 including guidelines issued thereunder, as amended from time to time ("the SEBI MF Regulations"). In case of any conflict between the requirements of Ind and SEBI MF Regulations, the requirements specified under SEBI MF Regulations are applied.

2.2 Presentation of financial statements

These financial statements of the Fund are presented in the format prescribed in SEBI circular no "SEBI/HO/IMD-II/DOF8/P/CIR/2022/12 " dated February 04, 2022. The disclosures as required under Ind AS, as applicable to the Fund, are included in these financial statements.

The Fund has prepared the financial statements on the basis that it will continue to operate as a going concern.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Fund and/or its counterparties

The Fund presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note.

2.3 Functional and presentational currency

Item included in the Financial Statement of the Fund are measured using the currency of the primary economic environment in which the Fund operates ("the functional currency"). The Financial Statements are presented in Indian rupee (INR), which is Fund's functional and presentation currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

2.4 Basis of Measurement

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value through Profit and Loss at the end of each reporting period , as explained below. All assets and Liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the fair value measurement in its entirety: - Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. - Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). - Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor are they based on available market data.

2.5 Significant accounting judgments, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and accompanying disclosures (including contingent liabilities) at the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Key sources of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year are included in the following notes:

a. Fair value measurement

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See note 31 for more information on the fair value measurement of the Fund's financial statements

**3 Summary of material accounting policies**

**3.1 Income recognition**

Interest is recognised on a time-proportionate basis.  
Dividend income is recognised on the ex-dividend date when right to dividend is established.  
Profit or loss on sale/redemption of investments is determined on the basis of the weighted average cost method. Transactions for purchase or sale of investments are recognised as of the trade date.

**3.2 Financial instruments**

**Initial recognition and measurement of financial assets and financial liabilities**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

All financial assets and financial liabilities are recognised initially at fair value when the fund becomes party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.  
The Fund's financial assets include Investments, Derivative contracts, Receivables, Cash and cash equivalents, Bank balances other than cash and cash equivalents and other financial assets.

Purchase and sale of investments are recorded on the date of the transaction, at cost and sale price respectively, after excluding brokerage, commission, CCIL charges and fees payable or receivable, if any and stamp duty charges in case of investment in mutual fund units.

**Classification and subsequent measurement of Financial assets and financial liabilities**

**Evaluation of Business Model - Classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest ("SPPI") test.**

As per clause 47 of the SEBI Regulations, every mutual fund shall ensure that the AMC computes and carries out valuation of investments made by its fund in accordance with the investment valuation norms specified in Eighth Schedule. As per Eighth Schedule, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the Securities. The Valuation shall be done in good faith and in true and fair manner through appropriate valuation policies and procedures.

The Fund's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Fund's documented investment strategy, together with other related financial information.  
The Fund is required to fair value investment as per SEBI Regulations. Hence, the Fund has not performed the SPPI Test.

**Investments at fair value through profit or loss (FVTPL)**

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

**Financial liabilities**

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

**Financial instruments not measured at fair value**

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

**De-recognition**

The fund derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the fund neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the fund enters into transactions whereby it transfers assets recognised on its Balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.  
The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

**3.3 Valuation of investments**

All investments are valued based on the principles of fair valuation and have been valued in good faith in a true and fair manner through appropriate valuation policies and procedures.

**Equity and related securities**

All traded investments are valued at the last quoted closing price on the National Stock Exchange Limited (NSE)/BSE Limited (BSE) or other stock exchange, where such security is listed. If not traded on the primary stock exchange, the closing price on the other stock exchange is considered. NSE is the primary stock exchange.  
When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE/BSE or any other Stock Exchange is used, provided such closing price is not exceeding a period of 30 calendar days.

When trading in an equity/equity related security in a calendar month is both less than INR 5 lacs and the total volume is less than 50,000 shares, it shall be considered as a thinly traded security.  
All non-traded and thinly traded equity investments are valued in accordance with the norms prescribed in the SEBI guidelines for valuation, i.e., valuation is computed on the basis of average of book value and the price computed on the basis of the PE ratio (after appropriate discount for lower liquidity), and using the last traded price if available.

All non-traded convertible preference share investments are valued based on underlying equity, discounted for illiquidity, if required as decided by the Valuation Committee. Redeemable Preference Shares are valued by discounting the future cash flows based on discounting rate decided by the Valuation Committee.

All equity warrants/rights entitlement/partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price/issuance price from the closing price of the underlying equity security.

Futures and Options are valued at settlement price on the stock exchange on which they are traded.

**Foreign Securities**

The prices of securities which are denominated in foreign currencies (i.e. ADR/GDR/Offshore securities) are priced at the closing price in the respective principal stock exchange.  
The price is converted into INR. Conversion is done using the Financial Benchmarks India Private Limited ("FBIL") reference rates published on the respective date. In case of Investment in foreign currencies asset apart from the rates published in FBIL Conversion is done using the Bid rate of foreign currency INR exchange rate available on Reuters at 5.00 p.m. Indian Standard Time ("IST")

**Debt, Money Market and related securities**

All traded and non-traded investments are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities.

All non-traded bonus debentures are valued at cost till receipt of scrip level valuations from CRISIL & ICRA LTD  
Pursuant to SEBI circular Nos. SEBI/HO/IMD/DF4/CIR/P/2019/102 dated September 24, 2019 and SEBI/HO/IMD/DF3/CIR/P/2020/76 dated April 30, 2020, following valuation practice has come into effect from June 30, 2020 All debt, money market and related securities irrespective of residual maturity are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities. If security level price for new security purchased (primary allotment or secondary market) is not available from Valuation Agencies, the valuation of such securities shall be done at the weighted average yield of all the purchases made by Baroda BNP Paribas Mutual Fund from the day of allotment/purchase

**Government Securities/Treasury Bills/Cash Management Bills**

Central Government and State Government loans and Treasury bills are valued based on the aggregated prices provided by CRISIL & ICRA.

**TREPS and Reverse Repo**

TREPS & Reverse Repos with residual tenor upto 30 days are valued on Cost plus Accrual Interest and with residual tenor of greater than 30 days are valued as per aggregated prices provided by CRISIL & ICRA.

**Mutual Funds**

Mutual funds units are valued at the last published NAV as per AMFI website for non-traded funds and as per the last quoted closing price on the National Stock Exchange Limited (NSE)/BSE Limited (BSE) for listed and traded funds, on the valuation day. NSE is the primary stock exchange. If market prices are not available for traded funds on a particular valuation day, the last available NAV as per AMFI website is considered for valuation.

**Impairment of financial assets**

In accordance with Ind AS 109, the Fund uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For receivables, the Fund applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Fund uses historical default rates to determine impairment loss on the portfolio of receivables. At every reporting date, these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Fund uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

- 3.4 Offsetting financial instruments**  
Financial assets and Financial liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Fund or the counterparty.
- 3.5 Foreign currency transactions and balances**  
Transactions in foreign currencies are initially recorded in the functional currency at the spot rate of ex-change ruling at the date of the transaction. However, for practical reasons, the Fund uses an average rate if the average approximates the actual rate at the date of the transaction.  
Monetary assets and liabilities denominated in foreign currencies are retranslated into the functional currency at the spot rate of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are taken to Gain/(Loss) in Foreign currency transactions in revenue account.
- 3.6 Equalisation account**  
When units are issued or redeemed, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) as on the date of the transaction is determined. Based on the number of units outstanding on the transaction date, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) associated with each unit is computed. The per unit amount so determined is credited / debited to the equalisation account on issue / redemption of each unit respectively.  
  
The balance in equalisation account is transferred to revenue account at the year-end without affecting the net income of the Scheme.
- 3.7 Determination of net asset value**  
The net asset value of the units of the Scheme is determined separately for the units issued under the options.  
For reporting the net asset values within the portfolio, the Scheme's daily income earned, including realised profit or loss and unrealised gain or loss in the value of investments, and expenses accrued, are allocated to the related plans in proportion to their respective daily net assets arrived at by multiplying day end outstanding units to previous day's closing net asset value.
- 3.8 Unit capital**  
Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.  
Upon issue and redemption of units, the net premium or discount to the face value of units is adjusted against the unit premium reserve of each option, after an appropriate portion of the issue proceeds and redemption payouts is credited/debited to the equalisation account.
- 3.9 Taxes**  
No income tax provision has been made as the Fund qualifies as a recognized Mutual Fund under section 10(23D) of the Income Tax Act, 1961.
- 3.10 Expenses**  
a. All expenses are accounted for on accrual basis.  
b. New Fund offer (NFO) expenses: New Fund offer expenses for the Schemes are borne by the AMC.  
c. Pursuant to SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/2018/137 dated October 22, 2018, all the Scheme related expenses including commission paid to distributors, by whatever name called and in whatever manner paid, are borne and paid by the Schemes within regulatory limits mandated under regulation 52 of the SEBI (MUTUAL FUNDS) REGULATIONS, 1996.  
d. Accrual of expenses, in addition to TER, for distribution expenses incurred for bringing in inflows from beyond top 30 cities (as notified by Association of Mutual Funds of India (AMFI)) is accrued in accordance with regulation 52(6A). Accrual of additon to TER is discontinued on 01st March 2023.  
e. As per the SEBI circular, the schemes have been charged 0.02% per annum towards Investor Education Fund on daily net assets within the maximum SEBI TER limits as per Regulation 52 of SEBI (Mutual Fund) Regulations.  
  
f. Additional amount towards expenses specified in the said Regulation 52 not exceeding 0.05% of the daily net assets of the Scheme wherever exit load has been charged to the schemes.  
g. GST on Investment Management and Advisory Fees is charged over and above the cumulative limits as specified above.  
h. The cost of borrowing for meeting redemptions have been charged to schemes not exceeding the portfolio return of the borrowing scheme and balance, if any, have been borne by the AMC. With effect from March 23, 2018, as per AMFI best practice guideline circular, cost of borrowing in the schemes of Baroda BNP Paribas Mutual Fund has been charged to the Scheme to the extent of yield to maturity (YTM) / running yield of the Fund as on the previous day and excess, if any, have been borne by the AMC.
- 3.11 Cash and cash equivalents**  
Cash and cash equivalents in the balance sheet comprise of cash on hand and Tri-Party Repo (including reverse purchase transactions). For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes Cash on hand, balances with banks in current accounts, deposits placed with scheduled banks (with an original maturity of upto three months) and Tri-Party Repo (including reverse purchase transactions) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.
- 3.12 Statement of cash flows**  
Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash future, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating and financing activities of the Fund are segregated.
- 3.13 New standards and interpretations not yet adopted**  
There are no standards that are notified and not yet adopted as on the date.

## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
Baroda BNP Paribas Mutual Fund

Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying financial statements of the schemes mentioned below (collectively 'the Schemes'), which comprise the Balance Sheets as at 31 March 2025, the Revenue Accounts, the Cash Flow Statements and the Statements of changes in net asset attributable to unit holders of the Schemes for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

| Sr. No. | Name of the Schemes                         |
|---------|---------------------------------------------|
| 1       | Baroda BNP Paribas Conservative Hybrid Fund |
| 2       | Baroda BNP Paribas Arbitrage Fund           |
| 3       | Baroda BNP Paribas Aggressive Hybrid Fund   |
| 4       | Baroda BNP Paribas Multi Asset Fund         |
| 5       | Baroda BNP Paribas Balanced Advantage Fund  |
| 6       | Baroda BNP Paribas Equity Savings Fund      |

In our opinion and to the best of our information and according to the explanations given to us, the financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto ('the SEBI Regulations'):

- (a) in the case of balance sheets, of the state of affairs of the respective Schemes as at 31 March 2025;
- (b) in the case of the revenue accounts, of the surplus/deficit for the respective Schemes for the year ended on that date;
- (c) in the case of the Cash Flow Statements, of the cash flows for the year ended on that date; and
- (d) in the case of Statements of changes in net asset, of the changes in net asset attributable to the unit holders of the respective Schemes for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Schemes in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of Baroda BNP Paribas Asset Management India Private Limited (the "AMC") and Baroda BNP Paribas Trustee India Private Limited (the "Trustees") are responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of management and Those Charged with Governance for the Financial Statements

The Board of Directors of the AMC and Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in net asset attributable to the unit holders of the schemes in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS), read with the SEBI Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the SEBI regulations for safeguarding of the assets of the Schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, the design, implementation and maintenance of adequate internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Schemes' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Schemes' financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Schemes' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause any scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provided the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion, the balance sheets and revenue accounts dealt by this report have been prepared in conformity with the accounting policies and standards specified in the Ninth Schedule to the Regulations; and
  - c. The balance sheets, revenue accounts, the cash flow statement and statement of changes in net asset attributable to unit holders of Schemes dealt with by this report are in agreement with the books of account of the respective Schemes.

2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non traded securities in good faith as at 31 March 2025, wherever applicable, are in accordance with the SEBI Regulations and other guidelines issued by the Securities and Exchange Board of India, as applicable, and approved by the Board of Directors of the Trustees, and are fair and reasonable.

| Baroda BNP Paribas Balanced Advantage Fund (Erstwhile known as Baroda Dynamic Equity Fund)                | An open ended dynamic asset allocation fund.                                                 | The primary objective of the Scheme is to generate capital appreciation by investing in a portfolio of equity or equity linked securities while the secondary objective is to generate income through investments in debt and money market instruments. It also aims to manage risk through active asset allocation.                                             | November 14, 2018  | Direct Plan - Growth Option;<br>Direct Plan - IDCW Option;<br>Regular Plan - Growth Option;<br>Regular Plan - IDCW Option                                                                                                                                                                           |
| Baroda BNP Paribas Equity Savings Fund (Erstwhile known as Baroda Equity Savings Fund)                    | An open-ended scheme investing in equity, arbitrage and debt instruments                     | The primary objective of the Scheme is to generate capital appreciation and income by using arbitrage opportunities, investment in equity / equity related instruments and debt/ money market instruments.                                                                                                                                                       | July 25, 2019      | Direct Plan - Growth Option;<br>Direct Plan - IDCW Option;<br>Regular Plan - Growth Option;<br>Regular Plan - IDCW Option                                                                                                                                                                           |
| Baroda BNP Paribas Conservative Hybrid Fund (Erstwhile known as BNP Paribas Conservative Hybrid Fund)     | An Open ended Hybrid Scheme investing predominantly in debt instruments.                     | To generate regular returns through investment primarily in debt and money market Instruments. The secondary objective of the Scheme is to generate long-term capital appreciation by investing a portion of the Scheme's assets in equity and equity related securities.                                                                                        | September 23, 2004 | Direct Plan - Growth Option;<br>Direct Plan - Monthly IDCW Option;<br>Direct Plan - Quarterly IDCW Option;<br>Regular Plan - Growth Option;<br>Regular Plan - Monthly IDCW Option;<br>Regular Plan - Quarterly IDCW Option                                                                          |

**2 Basis of preparation and presentation**

**2.1 Statement of compliance**

The financial statements of the Fund have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 including guidelines issued thereunder, as amended from time to time ("the SEBI MF Regulations"). In case of any conflict between the requirements of Ind and SEBI MF Regulations, the requirements specified under SEBI MF Regulations are applied.

**2.2 Presentation of financial statements**

These financial statements of the Fund are presented in the format prescribed in SEBI circular no "SEBI/HO/IMD-II/DOF8/P/CIR/2022/12 " dated February 04, 2022. The disclosures as required under Ind AS, as applicable to the Fund, are included in these financial statements.

The Fund has prepared the financial statements on the basis that it will continue to operate as a going concern.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Fund and/or its counterparties

The Fund presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note.

**2.3 Functional and presentational currency**

Item included in the Financial Statement of the Fund are measured using the currency of the primary economic environment in which the Fund operates ("the functional currency"). The Financial Statements are presented in Indian rupee (INR), which is Fund's functional and presentation currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

**2.4 Basis of Measurement**

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value through Profit and Loss at the end of each reporting period , as explained below.

All assets and Liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the fair value measurement in its entirety:

- Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor are they based on available market data.

**2.5 Significant accounting judgments, estimates and assumptions**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and accompanying disclosures (including contingent liabilities) at the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Key sources of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year are included in the following notes:

**a. Fair value measurement**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See note 31 for more information on the fair value measurement of the Fund's financial statements

**3 Summary of material accounting policies**

**3.1 Income recognition**

Interest is recognised on a time-proportionate basis.

Dividend income is recognised on the ex-dividend date when right to dividend is established.

Profit or loss on sale/redemption of investments is determined on the basis of the weighted average cost method. Transactions for purchase or sale of investments are recognised as of the trade date.

**3.2 Financial instruments**  
**Initial recognition and measurement of financial assets and financial liabilities**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

All financial assets and financial liabilities are recognised initially at fair value when the fund becomes party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.  
The Fund's financial assets include Investments, Derivative contracts, Receivables, Cash and cash equivalents, Bank balances other than cash and cash equivalents and other financial assets.

Purchase and sale of investments are recorded on the date of the transaction, at cost and sale price respectively, after excluding brokerage, commission, CCIL charges and fees payable or receivable, if any and stamp duty charges in case of investment in mutual fund units.

**Classification and subsequent measurement of Financial assets and financial liabilities**

**Evaluation of Business Model - Classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest ("SPPI") test.**

As per clause 47 of the SEBI Regulations, every mutual fund shall ensure that the AMC computes and carries out valuation of investments made by its fund in accordance with the investment valuation norms specified in Eighth Schedule. As per Eighth Schedule, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the Securities. The Valuation shall be done in good faith and in true and fair manner through appropriate valuation policies and procedures.  
The Fund's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Fund's documented investment strategy, together with other related financial information.  
The Fund is required to fair value investment as per SEBI Regulations. Hence, the Fund has not performed the SPPI Test.

**Investments at fair value through profit or loss (FVTPL)**

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

**Financial liabilities**

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

**Financial instruments not measured at fair value**

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

**De-recognition**

The fund derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the fund neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the fund enters into transactions whereby it transfers assets recognised on its Balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.  
The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

**3.3 Valuation of investments**  
All investments are valued based on the principles of fair valuation and have been valued in good faith in a true and fair manner through appropriate valuation policies and procedures.

**Equity and related securities**

All traded investments are valued at the last quoted closing price on the National Stock Exchange Limited (NSE)/BSE Limited (BSE) or other stock exchange, where such security is listed. If not traded on the primary stock exchange, the closing price on the other stock exchange is considered. NSE is the primary stock exchange.  
When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE/BSE or any other Stock Exchange is used, provided such closing price is not exceeding a period of 30 calendar days.

When trading in an equity/equity related security in a calendar month is both less than INR 5 lacs and the total volume is less than 50,000 shares, it shall be considered as a thinly traded security.  
All non-traded and thinly traded equity investments are valued in accordance with the norms prescribed in the SEBI guidelines for valuation, i.e., valuation is computed on the basis of average of book value and the price computed on the basis of the PE ratio (after appropriate discount for lower liquidity), and using the last traded price if available.  
All non-traded convertible preference share investments are valued based on underlying equity, discounted for illiquidity, if required as decided by the Valuation Committee. Redeemable Preference Shares are valued by discounting the future cash flows based on discounting rate decided by the Valuation Committee.

All equity warrants/rights entitlement/partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price/issuance price from the closing price of the underlying equity security.

Futures and Options are valued at settlement price on the stock exchange on which they are traded.

**Foreign Securities**

The prices of securities which are denominated in foreign currencies (i.e. ADR/GDR/Offshore securities) are priced at the closing price in the respective principal stock exchange.  
The price is converted into INR. Conversion is done using the Financial Benchmarks India Private Limited ("FBIL") reference rates published on the respective date. In case of Investment in foreign currencies asset apart from the rates published in FBIL Conversion is done using the Bid rate of foreign currency INR exchange rate available on Reuters at 5.00 p.m. Indian Standard Time ("IST")

**Debt, Money Market and related securities**

All traded and non-traded investments are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities.

All non-traded bonus debentures are valued at cost till receipt of scrip level valuations from CRISIL & ICRA LTD  
Pursuant to SEBI circular Nos. SEBI/HO/MD/DF4/CIR/P/2019/102 dated September 24, 2019 and SEBI/HO/MD/DF3/CIR/P/2020/76 dated April 30, 2020, following valuation practice has come into effect from June 30, 2020 All debt, money market and related securities irrespective of residual maturity are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities. If security level price for new security purchased (primary allotment or secondary market) is not available from Valuation Agencies, the valuation of such securities shall be done at the weighted average yield of all the purchases made by Baroda BNP Paribas Mutual Fund from the day of allotment/purchase

**Government Securities/Treasury Bills/Cash Management Bills**

Central Government and State Government loans and Treasury bills are valued based on the aggregated prices provided by CRISIL & ICRA.

**TREPS and Reverse Repo**

TREPS & Reverse Repos with residual tenor upto 30 days are valued on Cost plus Accrual Interest and with residual tenor of greater than 30 days are valued as per aggregated prices provided by CRISIL & ICRA.

**Mutual Funds**

Mutual funds units are valued at the last published NAV as per AMFI website for non-traded funds and as per the last quoted closing price on the National Stock Exchange Limited (NSE)/BSE Limited (BSE) for listed and traded funds, on the valuation day. NSE is the primary stock exchange. If market prices are not available for traded funds on a particular valuation day, the last available NAV as per AMFI website is considered for valuation.

**Impairment of financial assets**

In accordance with Ind AS 109, the Fund uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For receivables, the Fund applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Fund uses historical default rates to determine impairment loss on the portfolio of receivables. At every reporting date, these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Fund uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

**3.4 Offsetting financial instruments**  
Financial assets and Financial liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Fund or the counterparty.

**3.5 Foreign currency transactions and balances**  
Transactions in foreign currencies are initially recorded in the functional currency at the spot rate of ex-change ruling at the date of the transaction. However, for practical reasons, the Fund uses an average rate if the average approximates the actual rate at the date of the transaction.  
Monetary assets and liabilities denominated in foreign currencies are retranslated into the functional currency at the spot rate of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are taken to Gain/(Loss) in Foreign currency transactions in revenue account.

**3.6 Equalisation account**

When units are issued or redeemed, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) as on the date of the transaction is determined. Based on the number of units outstanding on the transaction date, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) associated with each unit is computed. The per unit amount so determined is credited / debited to the equalisation account on issue / redemption of each unit respectively.

The balance in equalisation account is transferred to revenue account at the year-end without affecting the net income of the Scheme.

**3.7 Determination of net asset value**

The net asset value of the units of the Scheme is determined separately for the units issued under the options. For reporting the net asset values within the portfolio, the Scheme's daily income earned, including realised profit or loss and unrealised gain or loss in the value of investments, and expenses accrued, are allocated to the related plans in proportion to their respective daily net assets arrived at by multiplying day end outstanding units to previous day's closing net asset value.

**3.8 Unit capital**

Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date. Upon issue and redemption of units, the net premium or discount to the face value of units is adjusted against the unit premium reserve of each option, after an appropriate portion of the issue proceeds and redemption payouts is credited/debited to the equalisation account.

**3.9 Taxes**

No income tax provision has been made as the Fund qualifies as a recognized Mutual Fund under section 10(23D) of the Income Tax Act, 1961.

**3.10 Expenses**

- a. All expenses are accounted for on accrual basis.
- b. New Fund offer (NFO) expenses: New Fund offer expenses for the Schemes are borne by the AMC.
- c. Pursuant to SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/2018/137 dated October 22, 2018, all the Scheme related expenses including commission paid to distributors, by whatever name called and in whatever manner paid, are borne and paid by the Schemes within regulatory limits mandated under regulation 52 of the SEBI (MUTUAL FUNDS) REGULATIONS, 1996.
- d. Accrual of expenses, in addition to TER, for distribution expenses incurred for bringing in inflows from beyond top 30 cities (as notified by Association of Mutual Funds of India (AMFI)) is accrued in accordance with regulation 52(6A). Accrual of additon to TER is discontinued on 01st March 2023.
- e. As per the SEBI circular, the schemes have been charged 0.02% per annum towards Investor Education Fund on daily net assets within the maximum SEBI TER limits as per Regulation 52 of SEBI (Mutual Fund) Regulations.
- f. Additional amount towards expenses specified in the said Regulation 52 not exceeding 0.05% of the daily net assets of the Scheme wherever exit load has been charged to the schemes.
- g. GST on Investment Management and Advisory Fees is charged over and above the cumulative limits as specified above.
- h. The cost of borrowing for meeting redemptions have been charged to schemes not exceeding the portfolio return of the borrowing scheme and balance, if any, have been borne by the AMC. With effect from March 23, 2018, as per AMFI best practice guideline circular, cost of borrowing in the schemes of Baroda BNP Paribas Mutual Fund has been charged to the Scheme to the extent of yield to maturity (YTM) / running yield of the Fund as on the previous day and excess, if any, have been borne by the AMC.

**3.11 Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise of cash on hand and Tri-Party Repo (including reverse purchase transactions). For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes Cash on hand, balances with banks in current accounts, deposits placed with scheduled banks (with an original maturity of upto three months) and Tri-Party Repo (including reverse purchase transactions) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**3.12 Statement of cash flows**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash future, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating and financing activities of the Fund are segregated.

**3.13 New standards and interpretations not yet adopted**

There are no standards that are notified and not yet adopted as on the date.

## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
Baroda BNP Paribas Mutual Fund

Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying financial statements of the schemes mentioned below (collectively 'the Schemes'), which comprise the Balance Sheets as at 31 March 2025, the Revenue Accounts, Cash Flow Statements and Statements of changes in Net Asset attributable to Unit holders of the Schemes for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

| Sr. No. | Name of the Schemes                          |
|---------|----------------------------------------------|
| 1       | Baroda BNP Paribas Low Duration Fund         |
| 2       | Baroda BNP Paribas Dynamic Bond Fund         |
| 3       | Baroda BNP Paribas Corporate Bond Fund       |
| 4       | Baroda BNP Paribas Gilt Fund                 |
| 5       | Baroda BNP Paribas Liquid Fund               |
| 6       | Baroda BNP Paribas Short Duration Fund       |
| 7       | Baroda BNP Paribas Credit Risk Fund          |
| 8       | Baroda BNP Paribas Ultra Short Duration Fund |
| 9       | Baroda BNP Paribas Overnight Fund            |
| 10      | Baroda BNP Paribas Money Market Fund         |
| 11      | Baroda BNP Paribas Banking and PSU Bond Fund |

In our opinion and to the best of our information and according to the explanations given to us, the financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- (a) in the case of Balance Sheets, of the state of affairs of the respective Schemes as at 31 March 2025;
- (b) in the case of the Revenue Accounts, of the surplus/deficit for the respective Schemes for the year ended on that date;
- (c) in the case of the Cash Flow Statements, of the cash flow of the respective Schemes for the year ended on that date; and
- (d) in the case of Statements of changes in net asset, of the changes in net asset attributable to the unit holders of the respective Schemes for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Schemes in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these

requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of Baroda BNP Paribas Asset Management India Private Limited (the "AMC") and Baroda BNP Paribas Trustee India Private Limited (the "Trustees") are responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of management and Those Charged with Governance for the Financial Statements

The Board of Directors of the AMC and Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in net asset attributable to the unit holders of the Schemes in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS), read with the SEBI Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the SEBI regulations for safeguarding of the assets of the Schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, the design, implementation and maintenance of adequate internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Schemes' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Schemes' financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Schemes' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause any scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provided the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion, the balance sheets and revenue accounts dealt by this report have been prepared in conformity with the accounting policies and standards specified in the Ninth Schedule to the Regulations; and
  - c. The balance sheets, revenue accounts, cash flow statements and statement of changes in net asset attributable to unit holders of the Schemes dealt with by this report are in agreement with the books of account of the respective Schemes.

## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
Baroda BNP Paribas Mutual Fund

Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying financial statements of the schemes mentioned below (collectively 'the Schemes'), which comprise the Balance Sheets as at 10 September 2024, the Revenue Accounts, Cash Flow Statements and Statements of changes in Net Asset attributable to Unit holders of the Schemes for the period then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

| Sr. No. | Name of the Schemes                     |
|---------|-----------------------------------------|
| 1       | Baroda BNP Paribas Medium Duration Fund |
| 2       | Baroda BNP Paribas Floater Fund         |

In our opinion and to the best of our information and according to the explanations given to us, the financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- (a) in the case of Balance Sheets, of the state of affairs of the respective Schemes as at 10 September 2024;
- (b) in the case of the Revenue Accounts, of the surplus/deficit for the respective Schemes for the period ended on that date;
- (c) in the case of the Cash Flow Statements, of the cash flow of the respective Schemes for the period ended on that date; and
- (d) in the case of Statements of changes in net asset, of the changes in net asset attributable to the unit holders of the respective Schemes for the period ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Schemes in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of Baroda BNP Paribas Asset Management India Private Limited (the "AMC") and Baroda BNP Paribas Trustee India Private Limited (the "Trustees") are responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of management and Those Charged with Governance for the Financial Statements

The Board of Directors of the AMC and Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in net asset attributable to the unit holders of the Schemes in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS), read with the SEBI Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the SEBI regulations for safeguarding of the assets of the Schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, the design, implementation and maintenance of adequate internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Schemes' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Schemes' financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting

estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Schemes' ability to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provided the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion, the balance sheets and revenue accounts dealt by this report have been prepared in conformity with the accounting policies and standards specified in the Ninth Schedule to the Regulations; and
  - c. The balance sheets, revenue accounts, cash flow statements and statement of changes in net asset attributable to unit holders of the Schemes dealt with by this report are in agreement with the books of account of the respective Schemes.
2. On the basis of information and explanations given to us, the Schemes do not have any non-traded securities valued in good faith as at 10 September 2024 and hence reporting requirement of Eighth Schedule of the SEBI Regulations is not applicable.

| Baroda BNP Paribas Gilt Fund (Erstwhile known as Baroda Gilt Fund)                                 | An open ended debt scheme investing in government securities across maturity                                                                                  | To generate income by investing in a portfolio of Government securities.                                                                                                                                                                                                                                                                                                                                                                       | February 14, 2002  | Direct Plan - Growth Option;<br>Direct Plan - IDCW Option;<br>Regular Plan - Growth Option;<br>Regular Plan - IDCW Option                                                                                                                                                                                                                                                                                                                                                                             |
| Baroda BNP Paribas Ultra Short Duration Fund (Erstwhile known as Baroda Ultra Short Duration Fund) | An open-ended ultra short-term debt scheme                                                                                                                    | The primary objective of the scheme is to generate regular income by investing in a portfolio of debt and money market instruments such that the Macaulay duration of the portfolio is between 3 months - 6 months.                                                                                                                                                                                                                            | June 1, 2018       | Direct Plan - Daily IDCW Option;<br>Direct Plan - Growth Option;<br>Direct Plan - Weekly IDCW Option;<br>Regular Plan - Daily IDCW Option;<br>Regular Plan - Growth Option;<br>Regular Plan - Weekly IDCW Option                                                                                                                                                                                                                                                                                      |
| Baroda BNP Paribas Floater Fund                                                                    | An open ended debt scheme predominantly investing in floating rate instruments. A relatively High Interest Rate Risk and Moderate Credit Risk.                | The primary objective of the scheme is to generate regular income through investment in a portfolio comprising predominantly of floating rate instruments and fixed rate instruments swapped for floating rate returns. The Scheme may also invest a portion of its net assets in fixed rate debt and money market instruments. However, there can be no assurance or guarantee that the investment objective of the scheme would be achieved. | April 26, 2023     | Regular Weekly - IDCW Option;<br>Regular Plan - Growth Option;<br>Direct Weekly - IDCW Option;<br>Direct Plan - Growth Option                                                                                                                                                                                                                                                                                                                                                                         |

**2 Basis of preparation and presentation**

**2.1 Statement of compliance**

The financial statements of the Fund have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 including guidelines issued thereunder, as amended from time to time ("the SEBI MF Regulations"). In case of any conflict between the requirements of Ind and SEBI MF Regulations, the requirements specified under SEBI MF Regulations are applied.

**2.2 Presentation of financial statements**

These financial statements of the Fund are presented in the format prescribed in SEBI circular no "SEBI/HO/MD-II/DOF8/P/CIR/2022/12 " dated February 04, 2022. The disclosures as required under Ind AS, as applicable to the Fund, are included in these financial statements.

The Fund has prepared the financial statements on the basis that it will continue to operate as a going concern.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Fund and/or its counterparties

The Fund presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note.

**2.3 Functional and presentational currency**

Item included in the Financial Statement of the Fund are measured using the currency of the primary economic environment in which the Fund operates ("the functional currency"). The Financial Statements are presented in Indian rupee (INR), which is Fund's functional and presentation currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

**2.4 Basis of Measurement**

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value through Profit and Loss at the end of each reporting period , as explained below.  
All assets and Liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the fair value measurement in its entirety:  
- Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.  
- Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).  
- Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor are they based on available market data.

**2.5 Significant accounting judgments, estimates and assumptions**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and accompanying disclosures (including contingent liabilities) at the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Key sources of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year are included in the following notes:

**a. Fair value measurement**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See note 31 for more information on the fair value measurement of the Fund's financial statements

**3 Summary of material accounting policies**

**3.1 Income recognition**

Interest is recognised on a time-proportionate basis.  
Dividend income is recognised on the ex-dividend date when right to dividend is established.  
Profit or loss on sale/redemption of investments is determined on the basis of the weighted average cost method. Transactions for purchase or sale of investments are recognised as of the trade date.

**3.2 Financial instruments**

**Initial recognition and measurement of financial assets and financial liabilities**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

All financial assets and financial liabilities are recognised initially at fair value when the fund become party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.  
The Fund's financial assets includes Investments, Derivative contracts, Receivables, Cash and cash equivalents, Bank balances other than cash and cash equivalents and other financial assets.

Purchase and sale of investments are recorded on the date of the transaction, at cost and sale price respectively, after excluding brokerage, commission, CCIL charges and fees payable or receivable, if any and stamp duty charges in case of investment in mutual fund units.

**Classification and subsequent measurement of Financial assets and financial liabilities**

**Evaluation of Business Model - Classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest ("SPPI") test.**

As per clause 47 of the SEBI Regulations, every mutual fund shall ensure that the AMC computes and carries out valuation of investments made by its fund in accordance with the investment valuation norms specified in Eighth Schedule. As per Eighth Schedule, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the Securities. The Valuation shall be done in good faith and in true and fair manner through appropriate valuation policies and procedures.  
The Fund's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Fund's documented investment strategy, together with other related financial information.  
The Fund is required to fair value investment as per SEBI Regulations. Hence, the Fund has not performed the SPPI Test.

**Investments at fair value through profit or loss (FVTPL)**

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

**Financial liabilities**

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

**Financial instruments not measured at fair value**

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

**De-recognition**

The fund derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the fund neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the fund enters into transactions whereby it transfers assets recognised on its Balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.  
The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

**3.3 Valuation of investments**

All investments are valued based on the principles of fair valuation and have been valued in good faith in a true and fair manner through appropriate valuation policies and procedures.

**Equity and related securities**

All traded investments are valued at the last quoted closing price on the National Stock Exchange Limited (NSE)/BSE Limited (BSE) or other stock exchange, where such security is listed. If not traded on the primary stock exchange, the closing price on the other stock exchange is considered. NSE is the primary stock exchange.  
When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE/BSE or any other Stock Exchange is used, provided such closing price is not exceeding a period of 30 calendar days.

When trading in an equity/equity related security in a calendar month is both less than INR 5 lacs and the total volume is less than 50,000 shares, it shall be considered as a thinly traded security.  
All non-traded and thinly traded equity investments are valued in accordance with the norms prescribed in the SEBI guidelines for valuation, i.e., valuation is computed on the basis of average of book value and the price computed on the basis of the PE ratio (after appropriate discount for lower liquidity ), and using the last traded price if available.

All non-traded convertible preference share investments are valued based on underlying equity, discounted for illiquidity, if required as decided by the Valuation Committee. Redeemable Preference Shares are valued by discounting the future cash flows based on discounting rate decided by the Valuation Committee.

All equity warrants/rights entitlement/partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price/issuance price from the closing price of the underlying equity security.

Futures and Options are valued at settlement price on the stock exchange on which they are traded.

**Foreign Securities**

The prices of securities which are denominated in foreign currencies (i.e. ADR/GDR/Offshore securities) are priced at the closing price in the respective principal stock exchange. The price is converted into INR. Conversion is done using the Financial Benchmarks India Private Limited ("FBIL") reference rates published on the respective date. In case of Investment in foreign currencies asset apart from the rates published in FBIL Conversion is done using the Bid rate of foreign currency INR exchange rate available on Reuters at 5.00 p.m. Indian Standard Time ("IST")

**Debt, Money Market and related securities**

All traded and non-traded investments are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities.

All non-traded bonus debentures are valued at cost till receipt of scrip level valuations from CRISIL & ICRA LTD

Pursuant to SEBI circular Nos. SEBI/HO/MD/DF4/CIR/P/2019/102 dated September 24, 2019 and SEBI/HO/MD/DF3/CIR/P/2020/76 dated April 30, 2020, following valuation practice has come into effect from June 30, 2020 All debt, money market and related securities irrespective of residual maturity are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities. If security level price for new security purchased (primary allotment or secondary market) is not available from Valuation Agencies, the valuation of such securities shall be done at the weighted average yield of all the purchases made by Baroda BNP Paribas Mutual Fund from the day of allotment/purchase

**Government Securities/Treasury Bills/Cash Management Bills**

Central Government and State Government loans and Treasury bills are valued based on the aggregated prices provided by CRISIL & ICRA.

**TREPS and Reverse Repo**

TREPS & Reverse Repos with residual tenor upto 30 days are valued on Cost plus Accrual Interest and with residual tenor of greater than 30 days are valued as per aggregated prices provided by CRISIL & ICRA.

**Mutual Funds**

Mutual funds units are valued at the last published NAV as per AMFI website for non traded funds and as per the last quoted closing price on the National Stock Exchange Limited (NSE)/BSE Limited (BSE) for listed and traded funds, on the valuation day. NSE is the primary stock exchange. If market prices are not available for traded funds on a particular valuation day, the last available NAV as per AMFI website is considered for valuation.

**Impairment of financial assets**

In accordance with Ind AS 109, the Fund uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For receivables, the Fund applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Fund uses historical default rates to determine impairment loss on the portfolio of receivables. At every reporting date, these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Fund uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

**3.4 Offsetting financial instruments**

Financial assets and Financial liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Fund or the counterparty.

**3.5 Foreign currency transactions and balances**

Transactions in foreign currencies are initially recorded in the functional currency at the spot rate of ex-change ruling at the date of the transaction. However, for practical reasons, the Fund uses an average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are retranslated into the functional currency at the spot rate of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are taken to Gain/(Loss) in Foreign currency transactions in revenue account.

**3.6 Equalisation account**

When units are issued or redeemed, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) as on the date of the transaction is determined. Based on the number of units outstanding on the transaction date, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) associated with each unit is computed. The per unit amount so determined is credited / debited to the equalisation account on issue / redemption of each unit respectively.

The balance in equalisation account is transferred to revenue account at the year-end without affecting the net income of the Scheme.

**3.7 Determination of net asset value**

The net asset value of the units of the Scheme is determined separately for the units issued under the options.

For reporting the net asset values within the portfolio, the Scheme's daily income earned, including realised profit or loss and unrealised gain or loss in the value of investments, and expenses accrued, are allocated to the related plans in proportion to their respective daily net assets arrived at by multiplying day end outstanding units to previous day's closing net asset value.

**3.8 Unit capital**

Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.

Upon issue and redemption of units, the net premium or discount to the face value of units is adjusted against the unit premium reserve of each option, after an appropriate portion of the issue proceeds and redemption payouts is credited/debited to the equalisation account.

**3.9 Taxes**

No income tax provision has been made as the Fund qualifies as a recognized Mutual Fund under section 10(23D) of the Income Tax Act, 1961.

**3.10 Expenses**

- a. All expenses are accounted for on accrual basis.
- b. New Fund offer (NFO) expenses: New Fund offer expenses for the Schemes are borne by the AMC.
- c. Pursuant to SEBI Circular No. SEBI/HO/MD/DF2/CIR/P/2018/137 dated October 22, 2018, all the Scheme related expenses including commission paid to distributors, by whatever name called and in whatever manner paid, are borne and paid by the Schemes within regulatory limits mandated under regulation 52 of the SEBI (MUTUAL FUNDS) REGULATIONS, 1996.
- d. Accrual of expenses, in addition to TER, for distribution expenses incurred for bringing in inflows from beyond top 30 cities (as notified by Association of Mutual Funds of India (AMFI)) is accrued in accordance with regulation 52(6A). Accrual of addition to TER is discontinued on 01st March 2023.
- e. As per the SEBI circular, the schemes have been charged 0.02% per annum towards Investor Education Fund on daily net assets within the maximum SEBI TER limits as per Regulation 52 of SEBI (Mutual Fund) Regulations.

f. Additional amount towards expenses specified in the said Regulation 52 not exceeding 0.05% of the daily net assets of the Scheme wherever exit load has been charged to the schemes.

g. GST on Investment Management and Advisory Fees is charged over and above the cumulative limits as specified above.

h. The cost of borrowing for meeting redemptions have been charged to schemes not exceeding the portfolio return of the borrowing scheme and balance, if any, have been borne by the AMC. With effect from March 23, 2018, as per AMFI best practice guideline circular, cost of borrowing in the schemes of Baroda BNP Paribas Mutual Fund has been charged to the Scheme to the extent of yield to maturity (YTM) / running yield of the Fund as on the previous day and excess, if any, have been borne by the AMC.

**3.11 Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise of cash on hand and Tri-Party Repo (including reverse purchase transactions). For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes Cash on hand, balances with banks in current accounts, deposits placed with scheduled banks (with an original maturity of upto three months) and Tri-Party Repo (including reverse purchase transactions) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**3.12 Statement of cash flows**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash future, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating and financing activities of the Fund are segregated.

**3.13 New standards and interpretations not yet adopted**

There are no standards that are notified and not yet adopted as on the date.

(All amount in lakhs, unless otherwise stated)

## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
Baroda BNP Paribas Mutual Fund

Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying financial statements of the schemes mentioned below (collectively 'the Schemes'), which comprise the Balance Sheets as at 31 March 2025, the Revenue Accounts, the Cash Flow Statements and the Statements of changes in net asset attributable to unit holders of the Schemes for the year/period then ended, and notes to the financial statements, including a summary of significant material policies and other explanatory information.

| Sr. No. | Name of the Schemes                                   |
|---------|-------------------------------------------------------|
| 1       | Baroda BNP Paribas Nifty SDL December 2026 Index Fund |
| 2       | Baroda BNP Paribas Nifty SDL December 2028 Index Fund |
| 3       | Baroda BNP Paribas Aqua Fund of Fund                  |
| 4       | Baroda BNP Paribas Nifty 50 Index Fund                |
| 5       | Baroda BNP Paribas Nifty 200 Momentum 30 Index Fund^  |
| 6       | Baroda BNP Paribas NIFTY Midcap 150 Index Fund^       |

^Schemes launched during the year and hence the Revenue Account, Cash Flow Statement and Statement of Changes in Net Asset attributable to Unitholders of the Schemes prepared for the period beginning the respective launch dates of the Schemes to 31 March 2025.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto ('the SEBI Regulations'):

- in the case of Balance Sheets, of the state of affairs of the respective Schemes as at 31 March 2025;
- in the case of the Revenue Accounts, of the surplus/deficit for the respective Schemes for the year/period, as applicable, ended on that date;
- in the case of the Cash Flow Statements, of the cash flow of the respective Schemes for the year/period, as applicable, ended on that date; and
- in the case of Statements of changes in net asset, of the changes in net asset attributable to the unit holders of the respective Schemes for the year/period, as applicable, ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Schemes in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of Baroda BNP Paribas Asset Management India Private Limited (the "AMC") and Baroda BNP Paribas Trustee India Private Limited (the "Trustees") are responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of management and Those Charged with Governance for the Financial Statements

The Board of Directors of the AMC and Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in net asset attributable to the unit holders of the Schemes in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS), read with the SEBI Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the SEBI regulations for safeguarding of the assets of the Schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, the design, implementation and maintenance of adequate internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Schemes' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Schemes' financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Schemes' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause any scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provided the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion, the balance sheets and revenue accounts dealt by this report have been prepared in conformity with the accounting policies and standards specified in the Ninth Schedule to the Regulations; and
  - c. The balance sheets, revenue accounts, the cash flow statements and statement of changes in net asset attributable to unit holders of Schemes dealt with by this report are in agreement with the books of account of the respective Schemes.

# ***S.R. BATLIBOI & Co. LLP***

Chartered Accountants

2. On the basis of information and explanations given to us, the Schemes do not have any non-traded securities valued in good faith as at 31 March 2025 and hence reporting requirement of Eighth Schedule of the SEBI Regulations is not applicable.

2 Basis of preparation and presentation

2.1 Statement of compliance

The financial statements of the Fund have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 including guidelines issued thereunder, as amended from time to time ("the SEBI MF Regulations"). In case of any conflict between the requirements of Ind and SEBI MF Regulations, the requirements specified under SEBI MF Regulations are applied.

2.2 Presentation of financial statements

These financial statements of the Fund are presented in the format prescribed in SEBI circular no "SEBI/HO/IMD-II/DOF8/P/CIR/2022/12 " dated February 04, 2022. The disclosures as required under Ind AS, as applicable to the Fund, are included in these financial statements.

The Fund has prepared the financial statements on the basis that it will continue to operate as a going concern.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Fund and/or its counterparties

The Fund presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note.

2.3 Functional and presentational currency

Item included in the Financial Statement of the Fund are measured using the currency of the primary economic environment in which the Fund operates ("the functional currency"). The Financial Statements are presented in Indian rupee (INR), which is Fund's functional and presentation currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

2.4 Basis of Measurement

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value through Profit and Loss at the end of each reporting period , as explained below.

All assets and Liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the fair value measurement in its entirety:

- Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor are they based on available market data.

2.5 Significant accounting judgments, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and accompanying disclosures (including contingent liabilities) at the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Key sources of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year are included in the following notes:

- 3.4 Offsetting financial instruments**  
Financial assets and Financial liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Fund or the counterparty.
- 3.5 Foreign currency transactions and balances**  
Transactions in foreign currencies are initially recorded in the functional currency at the spot rate of ex-change ruling at the date of the transaction. However, for practical reasons, the Fund uses an average rate if the average approximates the actual rate at the date of the transaction.  
Monetary assets and liabilities denominated in foreign currencies are retranslated into the functional currency at the spot rate of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are taken to Gain/(Loss) in Foreign currency transactions in revenue account.
- 3.6 Equalisation account**  
When units are issued or redeemed, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) as on the date of the transaction is determined. Based on the number of units outstanding on the transaction date, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) associated with each unit is computed. The per unit amount so determined is credited / debited to the equalisation account on issue / redemption of each unit respectively.  
  
The balance in equalisation account is transferred to revenue account at the year-end without affecting the net income of the Scheme.
- 3.7 Determination of net asset value**  
The net asset value of the units of the Scheme is determined separately for the units issued under the options.  
For reporting the net asset values within the portfolio, the Scheme's daily income earned, including realised profit or loss and unrealised gain or loss in the value of investments, and expenses accrued, are allocated to the related plans in proportion to their respective daily net assets arrived at by multiplying day end outstanding units to previous day's closing net asset value.
- 3.8 Unit capital**  
Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.  
Upon issue and redemption of units, the net premium or discount to the face value of units is adjusted against the unit premium reserve of each option, after an appropriate portion of the issue proceeds and redemption payouts is credited/debited to the equalisation account.
- 3.9 Taxes**  
No income tax provision has been made as the Fund qualifies as a recognized Mutual Fund under section 10(23D) of the Income Tax Act, 1961.
- 3.10 Expenses**  
a. All expenses are accounted for on accrual basis.  
b. New Fund offer (NFO) expenses: New Fund offer expenses for the Schemes are borne by the AMC.  
c. Pursuant to SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/2018/137 dated October 22, 2018, all the Scheme related expenses including commission paid to distributors, by whatever name called and in whatever manner paid, are borne and paid by the Schemes within regulatory limits mandated under regulation 52 of the SEBI (MUTUAL FUNDS) REGULATIONS, 1996.  
d. Accrual of expenses, in addition to TER, for distribution expenses incurred for bringing in inflows from beyond top 30 cities (as notified by Association of Mutual Funds of India (AMFI)) is accrued in accordance with regulation 52(6A). Accrual of additon to TER is discontinued on 01st March 2023.  
e. As per the SEBI circular, the schemes have been charged 0.02% per annum towards Investor Education Fund on daily net assets within the maximum SEBI TER limits as per Regulation 52 of SEBI (Mutual Fund) Regulations.  
  
f. Additional amount towards expenses specified in the said Regulation 52 not exceeding 0.05% of the daily net assets of the Scheme wherever exit load has been charged to the schemes.  
g. GST on Investment Management and Advisory Fees is charged over and above the cumulative limits as specified above.  
h. The cost of borrowing for meeting redemptions have been charged to schemes not exceeding the portfolio return of the borrowing scheme and balance, if any, have been borne by the AMC. With effect from March 23, 2018, as per AMFI best practice guideline circular, cost of borrowing in the schemes of Baroda BNP Paribas Mutual Fund has been charged to the Scheme to the extent of yield to maturity (YTM) / running yield of the Fund as on the previous day and excess, if any, have been borne by the AMC.
- 3.11 Cash and cash equivalents**  
Cash and cash equivalents in the balance sheet comprise of cash on hand and Tri-Party Repo (including reverse purchase transactions). For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes Cash on hand, balances with banks in current accounts, deposits placed with scheduled banks (with an original maturity of upto three months) and Tri-Party Repo (including reverse purchase transactions) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.
- 3.12 Statement of cash flows**  
Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash future, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating and financing activities of the Fund are segregated.
- 3.13 New standards and interpretations not yet adopted**  
There are no standards that are notified and not yet adopted as on the date.
