ABOUT THE FUND

- Baroda BNP Paribas Banking And Financial Services fund is an open ended fund investing in equity and equity related securities of companies engaged in the Banking & Financial Services Sector. The Banking and Financial Services sector is closely linked to the growth and development of the Indian economy over the last few decades
- The importance of the sector is also reflected in the fact that the sector has amongst the biggest weightages in most broad-based Indian stock indexes as mentioned in the table below
- The sector is expected to finance India's next phase of economic growth and investment acting as the lynchpin for capital expenditure and investments in India's economy
- Additionally, India is a relatively under penetrated market for most financial products likes mutual funds, insurance, home loans, etc. This is a strong structural driver which may lead to growth over the medium to long term
- There are sub-sectors within financial services that are getting listed in recent years. Asset management, insurance, new age fin-tech firms may also provide additional investment opportunities for the fund

PORTFOLIO POSITIONING

- Mid and small cap exposure stands at 19.6%, compared to 18.6% as of the last month. Large Cap exposure stands at 77.4% compared to 80.3% as of last month.
- Cash position stands at 2.9% (Vs 1.1% last month).
- Within banks we are overweight on small cap banks. We have increased our exposure in large cap private banks also. We are equal weight on PSBs also.
- Within insurance, we are overweight in diversified insurance and general insurance plays and underweight in life insurance.
- Within NBFCs, we are underweight on VFCs, gold NBFCs and power NBFCs and overweight on HFCs.
- Within capital markets, we are overweight on AMCs, exchanges and other capital market linked plays.
