It is a convenient way to "invest as you earn" and affords the investor an opportunity to enter the market regularly, thus averaging the acquisition cost of Units. Investors will have the facility of investing a fixed amount periodically, through SIP.</p> <p>SIP offers investors the following facilities:</p> <p>Daily Systematic Investment Facility (DSIF) Weekly Systematic Investment Facility (WSIF): Monthly Systematic Investment Facility (MSIF): Quarterly Systematic Investment Facility (QSIF):</p> <table border="1"> <thead> <tr> <th>Frequency</th> <th>SIP Date</th> <th>Minimum investment required</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> </tr> </tbody> </table>	Frequency	SIP Date	Minimum investment required			
Frequency	SIP Date	Minimum investment required						

DSIF	All Business Days [^]	Minimum amount Rs. 500/- and in multiples of Re. 1/- thereafter.
WSIF	Any day of the week from Monday to Friday	Minimum no. of installments shall be 12.
MSIF	Any date of the month.	
QSIF	Any date of the month and on a quarterly basis thereafter.	Rs. 1500/- and in multiples of Re.1/- thereafter on a quarterly basis by providing for a minimum of 4 installments.

[^]Where the start date of Daily SIP is not mentioned, then the start date shall be deemed to be the 31st day (or immediately next business day in case that day is a non-business day) from the date of submission of the Daily SIP request.

In case the date falls on a non-business day or falls during a book closure period, the immediate next business day will be considered for the purpose of determining the applicability of NAV subject to the realization of credit and units will be allotted accordingly.

The provisions of entry and exit load as applicable to the normal investments as on the date of enrollment will be applicable to fresh SIP investments.

- Top-Up SIP facility: 'Top-Up SIP' facility is an optional, add-on, feature of 'Top-Up SIP' to enhance current SIP facility available under the designated schemes of the Fund. This feature enables the investors to enhance/ increase SIP installment at pre-defined intervals by a fixed amount, thus, providing the investors a simplified method of aligning SIP installments amounts with increase in earnings over the tenure of SIP.

The terms and conditions for availing the 'Top-Up SIP' shall be as follows:

a. Frequency for Top-Up SIP

(i) For Monthly SIP:

(a) Half Yearly Top-Up SIP: Under this option, the amount of investment through SIP installment shall be increased by amount chosen / designated by Investor post every 6th (sixth) SIP installment.

(b) Yearly Top-Up SIP: Under this option, the amount of investment through SIP installment shall be increased by amount chosen / designated by Investor post every 12th (twelfth) SIP installment.

(ii) For Quarterly SIP:

a. Yearly Top-Up SIP: Under this option, the amount of investment through SIP instalment shall be increased by amount chosen / designated by Investor post every 4th (fourth) SIP instalment. In case the investor who has registered under Quarterly SIP opts for Half Yearly Top-Up SIP, the same shall be registered and processed as Yearly Top-Up SIP.

iii) Minimum Top-Up SIP Amount: Rs. 100 and in multiples of Rs. 100 thereafter.

iv) Default Top-Up SIP Frequency and amount: In case the investor fails to specify either the frequency or amount for Top-Up SIP, the same

shall be deemed as Yearly Top-Up SIP and Rs. 100 respectively and the application form shall be processed accordingly. In case the investor fails to specify both, i.e. the frequency for Top- Up SIP and amount for Top-Up SIP, the application form may be processed as conventional SIP, subject to it being complete in all other aspects.

- b.
- c. Top-Up SIP shall be available for SIP Investments through NACH / ECS (Debit Clearing) only. Top-Up SIP shall not be available under SIP facility availed by Investors through Standing Instructions / PDCs or investing through Channel Partners or through Stock Exchange Platforms.
- d. Top-Up SIP facility shall not be available under Weekly SIP option.
- e. Top-Up SIP facility can be availed by the investors only at the time of registration of SIP or renewal of SIP.
- f. Investors should note that for modification of any of the details of Top-Up SIP details, the existing SIP with Top-Up facility shall be required to be cancelled and investor would be required to enroll a fresh SIP with modified Top-Up facility details.

To Illustrate: The calculation and advantages of Top-Up SIP

Conventional SIP	Top-Up SIP
<ul style="list-style-type: none"> • Fixed SIP Installment amount: Rs. 1,000/- • SIP Period: 01-Dec-2018 till 31-Dec-2021 (3 years) • SIP date: 1st of every month (36 installments) 	<p>By providing/choosing the following additional details, an investor can opt for Top-Up SIP:</p> <p>Example:</p> <ul style="list-style-type: none"> • Top-Up SIP Amount: Rs. 500/- • Top-Up SIP Frequency: Every 6 months

The impact on the total invested value under both cases can be as explained below:

SIP Tenure	Total Invested Value (In Rs.)	
	Conventional SIP	Top-Up SIP
First 6 installments	6,000	6,000
Next 6 Installments	6,000	9,000
Next 6 Installments	6,000	12,000
Next 6 Installments	6,000	15,000
Next 6 Installments	6,000	18,000
Next 6 Installments	6,000	21,000
Total Amount Invested after 3 years	36,000	81,000

The above investment simulation is purely for illustrative purposes only and shall not be deemed as guarantee/promise of minimum returns or to depict performance of any mutual fund scheme.

1. Separate SIP Enrolment Forms are required to be filled for DSIP, WSIF, MSIF and QSIF.
2. In case of no credit receipt for SIP for 3 consecutive installments, such SIP application shall be rejected.
3. Investors have the right to discontinue the SIP facility at any time by sending a written request to any of the Official Points of Acceptance of transactions. Such notice should be received at least 21 days prior to the due date of the next SIP date. On receipt

		<p>and successful processing of such request, the SIP facility will be terminated and confirmation of the same sent to the investor.</p> <ol style="list-style-type: none"> 4. The enrolment period of SIP will be as per the instruction given by the investor. In case it is instructed to continue SIP "Till instruction to discontinue the SIP is submitted". Investors will have to submit SIP cancellation request to discontinue the SIP. In case of any ambiguity in enrolment period or if the end date of SIP is not mentioned, the default period for SIP will be "Till instruction to discontinue the SIP is submitted" 5. In case investor has not selected any frequency or in case of any ambiguity, monthly frequency shall be considered as default option. Similarly, 7th day shall be considered as default execution date. In case of any ambiguity in the enrolment form, the SIP enrolment request shall be liable to be rejected. 6. In case of minor application, AMC will register standing instructions till the date of the minor attaining majority, though the instructions may be for a period beyond that date. Prior to minor attaining majority, AMC shall send advance notice to the registered correspondence address advising the guardian and the minor to submit an application form along with prescribed documents to change the status of the account to "major". The account shall be frozen for operation by the guardian on the day the minor attains the age of majority and no fresh transactions shall be permitted till the documents for changing the status are received. Investments (including through existing SIP registrations) in the name of minors shall be permitted only from bank account of the minor, parent or legal guardian of the minor or from a joint account of the minor with the parent or legal guardian." <p>Further to note that the redemption/ Income Distribution cum Capital Withdrawal (IDCW) proceeds for investments held in the name of Minor shall continue to be transferred to the verified bank account of the minor (i.e. of the minor or minor with parent/ legal guardian) only. Therefore, investors must ensure to update the folios with minor's bank account details as the 'Pay-out Bank account' by providing necessary documents before tendering redemption requests / for receiving IDCW distributions.</p> <ol style="list-style-type: none"> 7. Change in debit bank account details for SIP transactions: (i) Investors are requested to note that in case they wish to change their bank account details for any of their ongoing SIP, the following documents should be submitted at least 21 days in advance of the next SIP debit date: (a) A request letter to change the existing bank account details for SIP transaction mentioning old and new bank account details and details of ongoing SIP transaction. (b) New SIP Auto Debit Facility Form with new bank account details. (ii) For Investors who have availed Standing Instructions facility with HDFC Bank Ltd and wish to change their bank account details for any of their ongoing SIP, the following documents should be submitted at least 21 days in advance of the next SIP debit date: (a) A request letter to discontinue such ongoing SIP transaction. (b) New SIP Auto Debit Facility Form with new bank account details. 8. Change of Scheme request in ongoing SIP: <ul style="list-style-type: none"> • Investor shall have to provide the Change of Scheme in ongoing SIP request in a pre-specified format. The same shall
--	--	--

		<p>also be made available on website of the Fund (www.barodabnpparibasmf.in). Request received in other than the pre-specified format will be rejected.</p> <ul style="list-style-type: none"> • Based on the said request, the SIP in old scheme shall cease and new SIP shall be registered in the new scheme for the balance months based on the details provided by the investor. • Investors should note that a minimum of six SIP installments must be completed in the old scheme for enabling this feature. • The Change of Scheme request shall be processed provided criteria like minimum no of installments, amount, etc. are being met as applicable for any new SIP registration and the same shall be registered within 21 days from the date of receipt of the valid request. • Transaction charges, if any, shall also be levied under the new scheme. • In case of Change of Scheme request is rejected, the old scheme SIP shall continue for the Investor. <p>The Trustee / AMC reserve the right to change / modify the terms of the SIP from time to time on prospective basis. Investors are advised to check the latest terms and conditions from any of the ISCs, before investing through SIP. In addition, the latest terms and conditions of various payment facilities will be mentioned in the SIP form.</p> <p>SIP PAUSE FACILITY: With the SIP Pause facility, the investor shall have an option to temporarily pause the SIP installments for a specified period of time. Upon expiry of the specified period, the SIP installments would re-start automatically. The features, terms and conditions for availing the SIP Pause facility shall be as follows:</p> <ol style="list-style-type: none"> 1. Under this Facility, the Investor has an option to temporarily pause the SIP for specific number of installments (i.e. Minimum 1 installment and Maximum 3 installments) by submitting the form for SIP Pause Facility (available at www.barodabnpparibasmf.in) at any of the Official Points of Acceptance of Baroda BNP Paribas Mutual Fund. Investors are further to requested to note that the forms for SIP Pause facility can be submitted to the designated email ID (mumbai@barodabnpparibasmf.in) and transact@barodabnpparibasmf.in as per the facility made available via addendum no. 15/2020 dated March 30, 2020. 2. The SIP Pause form should be submitted at least 15 calendar days prior to the next SIP installment date (i.e. excluding the request date and the next SIP installment date). Investor cannot cancel the SIP Pause once registered. 3. Investors can avail this facility only once in the tenure of the particular SIP. 4. The SIP Pause facility is only available under Weekly, Monthly and Quarterly SIP frequencies. 5. The SIP shall restart automatically from the immediate next eligible installment after the completion of specified pause period. 6. If the SIP pause period is coinciding with the Top-Up facility, the SIP installment amount post completion of pause period would be inclusive of SIP Top-up amount. For e.g. SIP installment amount prior to Pause period is INR 3,000/- and Top-up amount is INR 1,000/-. If the pause period is completed after date of Top-up, then
--	--	---

		<p>the SIP installment amount post completion of pause period shall be INR 4,000/-.</p> <p>7. This facility is not available for the SIPs sourced/registered through MF Utilities & Channel partner platforms as the SIP mandates are registered by respective entities or for SIPs which are registered by investors as Standing Instructions with their banks.</p> <p>AMC/Fund reserves the right to amend the terms and conditions of the SIP Pause facility and/or withdraw the said facility by issuing a suitable notice to this effect.</p> <p>SYSTEMATIC TRANSFER PLAN (STP)</p> <p>STP is a facility provided to the investors during ongoing period of the scheme wherein investors can opt to transfer a fixed amount or capital appreciation amount at regular intervals from this scheme to all open ended schemes of the Fund which is available for investment at that time.</p> <p>1. Facilities available:</p> <p>STP offers unit holders the following two facilities:</p> <p>a. Fixed Systematic Transfer Facility (FSTF) where investor can issue a standing instruction to transfer sums at Daily / Weekly/ Fortnightly/ Monthly/ Quarterly (calendar quarter) intervals to plans / options within select schemes of the Fund.</p> <p>b. Capital Appreciation Systematic Transfer Facility (CASTF) where the investor can issue a standing instruction to transfer the entire capital appreciation from Transferor Scheme at Weekly/ Fortnightly/ Monthly/ Quarterly intervals to designated Scheme(s) of the Fund.</p> <p>Unit holder is free to opt for any of the above facilities and also choose the frequency of such transfers.</p> <p>2. 		<p>^Investors should note that in case of Daily STP, the commencement date for transfers shall be the 7th working day from the date of receipt of a valid request and thereafter, transfers shall be effected on all business days at NAV based prices, subject to applicable load.</p> <p># In case of weekly STP, investor has to select specific day of the week on which STP shall be processed. In case investor opts for weekly STP and doesn't mention the day, default day selected for STP shall be Wednesday.</p> <p>An investor will have to opt for a minimum of 6 installments under Daily, Weekly, Fortnightly, Monthly STP option and minimum 4 installments for Quarterly STP option, otherwise the STP enrolment request shall be liable to rejected</p> <p>. An investor has to clearly specify the name & the option of the Transferor & Transferee scheme in the enrolment form. If the same is not stated or in case of any ambiguity STP enrolment request shall be liable to rejected. In absence of information, the default option for Transferee scheme shall be growth option.</p> <ol style="list-style-type: none"> 2. Load structure of the Transferor Scheme & Transferee Schemes shall also be applicable to STP transactions. 3. In case the Weekly /Fortnightly / Monthly / Quarterly STP execution dates fall on non – business day, the next business day will be considered as date of transfer. 4. An investor has to select any one facility i.e. FSTF or CASTF. In case, investor doesn't select any facility or in case of any ambiguity, the STP enrolment request shall be rejected. However, in case investor has selected any one of the facility but has not selected frequency and / or date or in case of any ambiguity, by default, monthly frequency & 7th day shall be considered as frequency & execution date. 5. In FSTF, in case there is no minimum amount (as specified above) available in the unit holder's account for transfer into Transferee Scheme, the transfer shall not be executed and the request of unit holder will stand withdrawn with immediate effect. For Daily STP: If the outstanding balance in "Transferor Scheme" does not cover any of the intermittent Daily STP installment amount, all outstanding units will be liquidated and Daily STP effected for such outstanding balance and Daily STP terminated for subsequent installments. However, if the outstanding balance in "Transferor Scheme" does not cover the last installment under the Daily STP, no transfer shall be effected and Daily STP shall be terminated without effecting the last installment under Daily STP. 6. In CASTF, if there is no minimum appreciation amount in the transferor scheme for the consecutive three installments, the STP request of the unitholder will stand withdrawn with immediate effect. The capital appreciation, if any, will be calculated from the enrolment date of the CASTF under the folio, till the first transfer date [e.g. if the unit holder has been allotted units on the 23rd of September and the date of enrolment for monthly CASTF is the 1st of November and the unit holder has opted for 15th of every month as the transfer date, capital appreciation, if any, will be calculated from the 1st of November to the 15th of November (first transfer date). Subsequent capital appreciation, if any, will be the capital appreciation between the previous CASTF date (where transfer has been processed) and the next CASTF date]. 7. Further, once the minor attains majority, the guardian will not be able undertake any financial and non-financial transactions including fresh registration of Systematic Transfer Plan (STP) and the folio shall be frozen for the further operation till the time requisite documents for changing the status from minor to major is submitted to the Fund. 9. STP will be automatically terminated if all units are liquidated or withdrawn from the Transferor Scheme or pledged or upon receipt of intimation of death of unit holder. A request for STP will be treated as a request for redemption from/ subscription into the respective option(s)/ plan(s) of the scheme(s), at the applicable NAV, subject to applicable load. In case the transfer dates fall on a non-business day, the next business day will be considered for this purpose. 10. The provision of 'Minimum redemption amount' specified in the SID of Transferor Scheme and 'Minimum application amount' specified in the SIDs of the Transferee Schemes will not be applicable for STP. 11. STP Enrolment Form complete in all respects must reach atleast 14 working days in advance of STP date at any of the Official Points of Transactions. 12. Investors could choose to terminate the STP by giving a written notice at least 7 business days in advance to the Official Points of Transactions. In case of Daily STP, termination shall be effected from 8th Business Day of receipt of valid request. 13. Investors should note that more than one STP (i.e. daily / weekly / fortnightly / monthly or quarterly STP) can be registered under same Plan / Option of the Transferor Scheme. <p>The Trustee / AMC reserve the right to change / modify the terms of the STP or withdraw this facility from time to time</p> <p>SYSTEMATIC WITHDRAWAL PLAN (SWP)</p> <ol style="list-style-type: none"> 1. SWP is a facility wherein the investors can opt to withdraw (i.e. redeem from the Scheme) a fixed or a variable amount from their investment accounts at periodic intervals through a one-time request. 2. SWP offers unit holders the following two facilities: <ul style="list-style-type: none"> o Fixed Systematic Withdrawal Facility (FSWF) where the investor issues a standing instruction to withdraw sums at Weekly/ Monthly / Quarterly (calendar quarter) intervals. o Capital Appreciation Systematic Withdrawal Facility (CASWF) where the investor issues a standing instruction to withdraw the entire capital appreciation from the Scheme at Weekly/ Monthly / Quarterly intervals. 3. Weekly withdrawal on 1st or 7th or 15th or 25th of the month, Monthly withdrawal on 1st or 7th or 10th or 15th or 25th or 28th of the month and Quarterly Withdrawal on 1st or 7th or 10th or 15th or 25th or 28th of the first month of a Quarter. If the day for SWP is not selected or in case of any ambiguity, 7th shall be treated as a Default date. 4. In FSWF, if the net asset value of the Units outstanding on the withdrawal date is insufficient to process the withdrawal request, then the Mutual Fund will redeem all Units outstanding and the SWP request will stand withdrawn for further processing. 6. In CASWF, if there is no minimum appreciation amount on the withdrawal date, then the Mutual Fund shall process the withdrawal request for that date and the SWP request of the unit holder will stand withdrawn for further processing. The capital appreciation, if any, will be calculated from the enrolment date of the CASWF under the folio, till the withdrawal date i.e. 1st or 7th or 15th or 25th in a Weekly CASWF; 1st or 7th or 15th or 25th of the month in the Monthly CASWF and 1st or 7th or 15th or 25th of the first month of Quarter (i.e., January, April, July, October) in a quarterly CASWF). Subsequent capital appreciation, if any, will be the capital appreciation between the previous CASWF date and the next CASWF date. 7. If the withdrawal date under FSWF / CASWF falls on a non-business day, the next business day will be considered for this purpose. 8. A request for SWP will be treated as a request for redemption from the Scheme, at the applicable NAV, subject to applicable load and statutory levy, if any. 9. Unit holders may change the amount of withdrawal, at any time by giving the ISC a written notice at least 7 business days prior to the next withdrawal date. However, the AMC at its sole discretion retains the right to close an account if the outstanding balance, based on the Net Asset Value (NAV), falls below minimum balance. 10. SWP may terminate on receipt of a notice from the Unit holder. It will terminate automatically if all units are liquidated or withdrawn from the folio or pledged or upon receipt of notification of death of the first named Unit holder. 11. The Trustee / AMC reserve the right to change / modify the terms of the SWP or withdraw this facility from time to time. The specified load structure will be in force till further notice. This load structure is subject to change and may be imposed / modified prospectively from time to time, as may be decided by the Trustee / AMC from time to time. <p>• Lakshya SIP</p> <p>'Lakshya SIP' is a facility provided to investors to invest regularly in a disciplined manner through SIP and enjoy the benefits of regular cash flows via Systematic Withdrawal Plan (SWP) post completion of SIP period, thereby aiming for financial freedom. The steps involved are as below:</p> <ol style="list-style-type: none"> a) Initiate monthly SIP in a selected source scheme which can be a single scheme or a combination of schemes for a tenor of 8, 10, 12 or 15 years. The minimum amount for SIP shall be the minimum monthly SIP instalment amount for the respective schemes. b) On completion of the selected SIP period, the units accumulated through SIP shall be switched out to the selected target scheme.
--	--	---

In case the source and target scheme are the same, there would be no switch out. The switch shall take place within T+5 working days or next business day where it is a non-business day (T being last SIP instalment date).

c) Post the switch out, SWP has to be activated for an amount as per the below matrix:

Payment Matrix		Illustration	
SIP Tenure	SWP Amount	SIP Amount	SWP Amount
8 Years	1.0 x monthly SIP instalments	10,000	10,000
10 Years	5 x monthly SIP instalmen	10,000	15,000
12 Years	2.0 x monthly SIP instalments	10,000	20,000
15 Years	3.0 x monthly SIP instalments	10,000	30,000
8 Years	1.0 x monthly SIP instalments	10,000	10,000

Note:

- i) The investor can decide the SIP amount. The SWP amount will vary based on SIP amount and SIP tenure selected by the investor.
- ii) The source and the target scheme can be the same.
- iii) Only monthly frequency is available for SIP & SWP.
- iv) The SWP date would be the same as the SIP date.

The facility is available under the Growth Option of the Regular and Direct Plans of the selected schemes. The source schemes will include selected equity/hybrid/thematic schemes of the Fund and target schemes will be selected hybrid schemes of the Fund as mentioned in the SAI.

IDCW SWEEP FACILITY

IDCW Sweep facility is available under designated schemes of the Fund. IDCW SWEEP is a facility wherein the unit holder(s) of this Scheme ("Source Scheme") can opt to automatically invest the amount distributed under IDCW Sweep (as reduced by the amount of applicable statutory levy) into the eligible "Target Scheme(s)" of the Fund. The following are the terms and conditions with respect to availing IDCW SWEEP facility:

Terms & Conditions of Dividend Sweep Option (DSO) / IDCW Sweep Option:

- 1. IDCW SWEEP facility is available only for units held / to be held in non-demat mode in the Source and the Target Scheme(s).
- 2. IDCW SWEEP facility is available to unit holder(s) only under the IDCW Sweep of the Source Scheme.
- 3. Unit holder(s) enrolment under the IDCW SWEEP facility will automatically override any previous instructions for 'IDCW Payout' or 'IDCW Reinvestment' facility in the Source Scheme.
- 4. **For the purpose of IDCW SWEEP following are the eligible Target Scheme(s):** All open-ended schemes offered by the Fund (except

		<p>Baroda BNP Paribas ELSS Fund, Baroda BNP Paribas Overnight Fund and Baroda BNP Paribas Liquid Fund).</p> <p>5. The enrolment for IDCW SWEEP facility should be for all units under the respective IDCW Sweep of the Source Scheme. Instructions for part Transfer of amount and part Payout / Reinvestment will not be accepted. The distribution amount will be invested in the Target Scheme(s) under the same folio. Accordingly, the unit holder(s) details and mode of holding in the Target Scheme(s) will be same as in the Source Scheme.</p> <p>6. The enrolment to avail of IDCW SWEEP facility has to be specified for each Scheme/Plan/Option separately and not at the folio level.</p> <p>7. Unit holders who wish to transfer amount of distribution to the Direct Plan of the Target Scheme(s) will have to indicate "Direct Plan" in the IDCW SWEEP enrolment form. Unit holders should also indicate "Direct" in the ARN column of the IDCW SWEEP enrolment form. However, in case Distributor code is mentioned in the IDCW SWEEP enrolment form, but "Direct Plan" is indicated against the Target Scheme name, the Distributor code will not be considered and the application will be processed under Direct Plan. Further, where application is received without Distributor code or "Direct" mentioned in the ARN Column, the application will be processed under Direct Plan. Direct Plan shall be the default plan if the unitholder doesn't indicate any plan in the IDCW SWEEP enrolment form or in case of any ambiguity</p> <p>8. In case, the unit holder fails to indicate option/ sub-options for the Target Scheme, then</p> <table border="1" data-bbox="587 1019 1390 1193"> <tr> <td>Default Option</td> <td>Growth Option</td> </tr> <tr> <td>Default IDCW Frequency</td> <td>Monthly IDCW Option</td> </tr> <tr> <td>Default Facility</td> <td>Payout of IDCW</td> </tr> </table> <p>9. Under IDCW SWEEP, amount of distribution declared (as reduced by the amount of applicable statutory levy) in the Source scheme will be automatically invested into the Target Scheme(s), as opted by the unit holder, on the immediate next Business Day after the Record Date at the applicable NAV of the Target Scheme(s) and accordingly equivalent units will be allotted in the Target Scheme(s).</p> <p>10. Investors are also requested to note that if the amount of distribution as eligible under IDCW SWEEP is equal to or less than INR 200/-, then the amount would be compulsorily reinvested in the source scheme.</p> <p>11. There will be no entry and/or exit load with respect to units invested through IDCW SWEEP. However, subsequent switch-outs/ redemption from the Target Scheme(s) shall be subject to applicable exit load and statutory levy, if any. The Trustee reserves the right to change the load structure under the IDCW SWEEP facility at any time in future on a prospective basis.</p> <p>12. The provision for 'Minimum Application Amount' specified for the respective Target Scheme(s) will not be applicable under IDCW SWEEP.</p> <p>13. Unitholders who wish to enroll for IDCW SWEEP facility are required to fill IDCW SWEEP Enrolment Form available with the ISCs, distributors/agents and also available on the website www.barodabnpparibasmf.in</p> <p>14. The request for enrolment for IDCW SWEEP must be submitted at least 10 days prior to the Record Date for the distribution of amount</p>	Default Option	Growth Option	Default IDCW Frequency	Monthly IDCW Option	Default Facility	Payout of IDCW

In case of the condition not being met, the enrolment would be considered valid from the immediately succeeding Record Date for distribution of amounts under IDCW Sweep, provided the difference between the date of receipt of a valid application for enrolment under IDCW SWEEP and the next Record Date is not less than 10 days.</p> <p>15. Unit holders will have the right to discontinue/cancel the IDCW SWEEP facility at any time by submitting the IDCW SWEEP cancellation form at the investor service centre. Request for cancellation of IDCW SWEEP will be registered within 7 days of a valid request received. Any amount of distribution declared between the time of submission of cancellation form at investor service centre and cancellation of IDCW SWEEP will be transferred to the target scheme.</p> <p>16. At the time of discontinuation of IDCW SWEEP facility, the unit holders should indicate their choice of option i.e. re-investment or payout. In the event the unit holder does not indicate his choice of IDCW Sweep, the amount of distribution, if any, shall be reinvested or paid out as per the instructions prior to enrolment of IDCW SWEEP in the Source Scheme</p> <p>17. The amount transferred under IDCW SWEEP would be treated as switch-in / subscription transaction in the target scheme(s) and will be liable to comply with the PAN and KYC provisions as may be applicable.</p> <p>18. The AMC reserves the right to change/ modify the terms and conditions of the IDCW SWEEP including eligible schemes without assigning any reason thereof. If IDCW SWEEP facility is withdrawn from any source scheme or target scheme, all unit holders who have applied for IDCW SWEEP will be converted into re-investment or payout option as per the instructions prior to enrolment of IDCW SWEEP in the Source Scheme.</p> <p>ONLINE TRANSACTION FACILITY AMC/Mutual Fund will allow Transactions including by way of Lumpsum Purchase/ Redemption / Switch of Units by electronic mode through the website/Mobile Application as made available by AMC. C. WHAT ARE THE INVESTMENT STRATEGIES?

The Scheme is an actively managed Scheme. The Scheme aims to maximize long-term capital appreciation by investing in equity and equity related securities of companies engaged in manufacturing sector. The Scheme may also invest a small portion of its corpus in money market instruments to manage its liquidity requirements.

The scheme aims to invest in listed companies that manufacture goods and that have/will have manufacturing facilities. The Portfolio seeks to invest in companies that:

- 1.) Directly engage in manufacturing activity,
- 2.) seek to replace India's imports by manufacturing in India,
- 3.) export goods manufactured in India,
- 4.) invest in new manufacturing plants/facilities,

- 5.) aid manufacturing of new age technology solutions
- 6.) allied services associated with the entire manufacturing lifecycle
- 7.) companies listed in India and having manufacturing facilities outside India or vice versa.

The companies forming part of eligible basic industries based on AMFI classification (or other applicable extant classification guidelines), as updated from time to time, that broadly represent manufacturing sector would also form a part of this scheme.

The following are the broad parameters/factors that shall be considered while building the portfolio of companies.

- a) business and economic fundamentals driven by in-depth research
- b) Reputation of the management and track record
- c) long term growth prospects
- d) The financial strength of the companies, as indicated by well recognised financial parameters employing strong stock selection valuation parameters
- e) any other factor affecting a company's business prospects

The fund manager may at his discretion invest up to 20% of the scheme assets outside the Manufacturing theme based on his assessment of the investment opportunities.

Risk control measures

Investments made by the Scheme would be in accordance with the investment objective of the Scheme and the provisions of the SEBI (MF) Regulations. Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. While allocating and choosing securities, the Investment Manager will aim to diversify by gaining broad exposure to different industries and companies in order to reduce risk.

Portfolio turnover

Portfolio turnover is defined as lesser of purchases and sales as a percentage of the average corpus of the Scheme during a specified period of time. Portfolio turnover would depend upon the market conditions such as volatility of the market and inflows/outflows in the scheme. The Scheme is an open-ended Scheme with subscriptions and redemptions expected on a daily basis. Hence, it will be difficult to estimate the portfolio turnover with any reasonable amount of accuracy.

Trading In Derivatives

The Scheme intend to use derivatives for the purposes, which may be permitted by SEBI from time to time, which will include hedging & portfolio balancing as permitted under the Regulations. Hedging using Interest Rate Futures could be perfect or imperfect, subject to applicable regulations. Usage of derivatives may expose the Scheme to certain risks inherent to such derivatives. Hedging does not mean maximisation of returns but only reduction of systematic or market risk inherent in the investment. As per clause 7.6 of SEBI Master circular for Mutual Funds dated June 27, 2024, SEBI has specified the guidelines pertaining to trading by Mutual Fund in Exchange Traded Derivatives.

The following information provides a basic idea as to the nature of the derivative instruments proposed to be used by the scheme and the benefits and risks attached therewith. For detailed derivative strategies, please refer to SAI.

Policy on Offshore Investments by the Scheme

1.2. Mutual Funds can make investments in overseas Exchange Traded Fund(ETF(s)) subject to a maximum of US \$ 300 million per Mutual Fund, within the overall industry limit of US \$ 1 billion.

2. The allocation methodology of the aforementioned limits shall be as follows:

2.1. In case of overseas investments specified at Para 1.1 above, US \$ 50 million would be reserved for each Mutual Fund individually, within the overall industry limit of US \$ 7 billion.

Subject to the limit specified in 1.1. and 1.2 above, the Scheme may invest a maximum of US \$ 20 million in Foreign Securities within a period of 6 months from the NFO closure date.

Further investments shall follow the norms for ongoing schemes as specified from time to time, which currently are, 20% of the average AUM in Overseas securities / Overseas ETFs of the previous three calendar months would be available to the Mutual Fund for that month to invest in Overseas securities / Overseas ETFs subject to maximum limits specified at Para 1 above. Provided that the limit for investment in overseas securities including ETFs shall be as permitted by SEBI from time to time.

The Scheme shall not have an exposure of more than 20% of its net assets in foreign securities, subject to regulatory limits specified from time to time.

Subject to the approval of the RBI / SEBI and conditions as may be prescribed by them, the Mutual Fund may open one or more foreign currency accounts abroad either directly, or through the custodian/ sub-custodian, to facilitate investments and to enter into/deal in forward currency contracts, interest rate futures/swaps for the purpose of hedging the risks of assets of a portfolio or for its efficient management.

The securities mentioned above and such other securities that the scheme is permitted to invest in, could be listed / unlisted, privately placed, secured / unsecured, rated / unrated of any maturity. The securities may be acquired through Initial Public Offerings (IPO's), secondary market operations, private placements, rights offers (including renunciation) or negotiated deals. Investment in overseas securities shall be made in accordance with the requirements stipulated by SEBI and RBI from time to time.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the scheme will be benchmarked to the performance of Nifty India Manufacturing TRI.

Pursuant to Para 1.9 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, uniform structure for benchmarking of schemes has been prescribed by SEBI. These uniform benchmarking of schemes indices are termed as first tier benchmark which reflects the category of the scheme.

Further, Association of Mutual Funds in India (AMFI), in consultation with AMFI Valuation Committee, has published the list of benchmark as 1st tier benchmarks for mutual fund schemes and the same is also made available on its website <https://www.amfiindia.com/research-information/other-data> and <https://www.amfiindia.com/importantupdates>.

** In accordance with para 10.1.7 of SEBI Master circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, AMC shall not charge any additional expense of upto 0.05% as per Regulation 52(6A)(c), if exit load is not being levied under the Scheme.

(b) The AMC may charge GST on investment management and advisory service fees ('AMC Fees') which shall be borne by the Scheme in addition to the total expense ratio mentioned in table above;

(c) @Brokerage costs which are incurred for the purpose of execution of trade shall be charged to the Scheme, not exceeding 0.12% in case of cash market transactions and 0.05% in case of derivative transactions;

Any payment towards brokerage costs, over and above the said 12bps and 5bps for cash market and derivatives transactions respectively, shall be charged to the Scheme within the total recurring expenses limit specified under Regulation 52 of SEBI Mutual Fund Regulations, 1996. Any expenditure in excess of the said limit will be borne by the AMC/Trustees/Sponsors.

The total expenses charged to the scheme shall be the maximum limit of TER as prescribed under regulation 52.

Investors should note that the total recurring expenses of the scheme excluding issue or redemption expenses, whether initially borne by the Mutual Fund or by the AMC, but including the investment management and advisory fee, shall not exceed the limits as prescribed under Regulation 52 of the SEBI Regulations. The AMC will charge the Scheme such actual expenses incurred, subject to the statutory limit prescribed in the Regulations.

For the actual current expenses being charged, the investor should refer to the website of the mutual fund at the following link <<https://www.barodabnpparibasmf.in/downloads/total-expense-ratio-of-mutual-fund-schemes>>.

Any change proposed to the current expense ratio will be updated on the website and communicated to the investors via e-mail or SMS at least three working days prior to the effective date of the change (in accordance with para 10.1.8 of SEBI Master circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024). Further, the disclosure of the expense ratio on a daily basis shall also be made on the website of AMFI viz. www.amfindia.com.

These estimates have been made in good faith as per the information available to the Investment Manager based on past experience and are subject to change inter-se. Types of expenses charged shall be as per SEBI (Mutual Funds) Regulations, 1996. The purpose of the above table is to assist the investor in understanding the various costs and expenses that an investor in the scheme will bear directly or indirectly.

An Illustration of impact of expense ratio on Scheme's returns:

If an investor A invests in a regular plan of a Scheme with an expense of 2% p.a. and an investor B invests in Direct Plan of the same scheme with an expense of 1% p.a. Assuming the gross return of this fund is 10% for that given year, investor A will make a return of 8% (post expense) for that year, whereas investor B will make 9% return for same period.

Also, please take a look at below illustration which shows impact of different expense ratio.

Particulars	Regular Plan	Direct Plan
Amount Invested at the beginning of the year	10,000	10,000
Returns before Expenses (@15%pa)	1,500	1,500
Expenses other than Distribution Expenses	150	150
Distribution Expenses	50	-
Returns after Expenses at the end of the Year	1,300	1350
% Returns on Investment (Post Expenses)	13%	13.5%

Note:

- The purpose of the above illustration is to purely explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments, without considering any impact due to taxation.

Investors are requested to note that NAV declaration made by AMC/Mutual Fund on every business day is net of expenses, and consequently scheme performance disclosures made by Mutual Fund, which are based on NAV values of the scheme are also net of expenses but does not consider impact of load and taxes, if any.

D. LOAD STRUCTURE

Exit load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure please refer to the website of the AMC (www.barodabnpparibasmf.in) or call on the number, 1800-2670-189 or may call your distributor.

Exit Load:

- If units of the Scheme are redeemed or switched out up to 10% of the units (the limit) within 1 year from the date of allotment - Nil.
- If units of the scheme are redeemed or switched out in excess of the limit within 1 year from the date of allotment - 1% of the applicable NAV.
- If units of scheme are redeemed or switched out after 1 year from the date of allotment - Nil.

There shall be no exit load levied in case of switch investments:

- i) between the plans (i.e. Regular and Direct Plans) and/or
 - ii) between the options (i.e. IDCW and Growth options),
- within the Scheme/Plan

No load will be charged on units issued upon re-investment of amount of distribution under same IDCW option and bonus units.

In accordance with the requirements specified under no entry load will be charged for purchase/additional purchase/ switch-in accepted by the Fund. The upfront commission on investment made by the investor, if any, shall be paid to the ARN Holder directly by the investor, based on the investor's assessment of various factors including service rendered by the ARN Holder. The exit load charged, net of Goods and Services Tax (GST), if any, shall be credited to the Scheme.

For any change in load structure, the AMC will issue an addendum and display it on the website/ISCs.

Subject to the SEBI Regulations, the AMC / Trustee reserves the right to modify / alter the load structure on the Units subscribed / redeemed on any business day under each Plan(s) / Option(s) from time to time. **Such changes will be applicable for prospective investments.** At the time of changing the load structure, the AMC shall take the following steps:

- The addendum detailing the changes shall be attached to SID and Key Information Memorandum. The addendum will be circulated to all the distributors so that the same can be attached to all SIDs and Key Information Memorandum already in stock.
- Arrangements shall be made to display the changes/modifications in the SID in the form of a notice in all the ISCs' and distributors' offices.

- The introduction of the load along with the details shall be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load.
- A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.
- Any other measures which the Mutual Fund may feel necessary.

The investor is requested to check the prevailing load structure of the scheme before investing. For any change in load structure AMC will issue an addendum and display it on the website/investor Service Centres.

Unitholder Transaction Expenses and Load: In accordance with SEBI Regulations, the AMC/Mutual Fund shall ensure that the repurchase price of the scheme is not lower than 95 per cent of the Net Asset Value.

Note: Whereas a result of a Redemption/ Switch arising out of excess holding by an investor beyond 25% of the net assets of the schemes in the manner envisaged under para 6.11 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, such Redemption / Switch will not be subject to Exit load.

A. Definitions/interpretation

For detailed description please refer <https://www.barodabnpparibasmf.in/assets/pdf/Definitions.pdf>

B. Risk factors

SCHEME SPECIFIC RISK FACTORS:

Investors may note that AMC/Fund Manager's investment decisions may not be always profitable. Although it is intended to generate capital appreciation and maximize the returns by actively investing in equity/ equity related securities and utilising debt and money market instruments as a defensive investment strategy. At times, churning of portfolios may lead to substantial losses due to subsequent adverse developments in the capital markets or unfavourable market movements. In view of the same, there can be no assurance that the investment objective of the Scheme will be realised.

The other Scheme specific risk factors are summarized as follows:

Market Risk:

All mutual funds and securities investments are subject to market risk and there can be no assurance / guarantee that the scheme's objectives will be achieved. The securities that the scheme invests in would be exposed to price changes on a day-to-day basis. These price changes may occur due to instrument-specific factors as well as general macroeconomic conditions. Markets are volatile and can decline significantly in response to adverse issuer, political, regulatory, market or economic developments. The scheme may be subject to price volatility due to factors such as interest sensitivity, market perception, and creditworthiness of issuer and market liquidity. Different parts of the market can react differently to these developments. The value of an individual security or particular type of security can be more volatile than the market as a whole and can perform differently from the value of the market as a whole.

Risks associated with investing in equity and equity related instruments:

Investments in equity and equity related instruments are volatile and prone to price fluctuations on a daily basis. The impact of fluctuations is likely to be accentuated for short-term investments. The risk that the performance of one or more companies declines or stagnates may have a negative impact on the performance of the Scheme as a whole at any given time. Investments in equity and equity related

instruments involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risks.

Equity and Equity Related Instruments listed on the stock exchange carry lower liquidity risk however the Scheme's ability to sell these investments is limited by the overall trading volume on the stock exchanges.

In certain cases, settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme's portfolio may result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Schemes portfolio.

Risks associated with investing in fixed income securities:

- **Credit and Counterparty risk:** Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security or honor its contractual obligations).

Counterparty risk refers to the counterparty's inability to honor its commitments (payment, delivery, repayment, etc.) and to risk of default. This risk relates to the quality of the counterparty to which the scheme has exposures. Losses can occur in particular for the settlement/delivery of financial instruments or the conclusion of financial derivatives contracts.

The value of a fixed income security will fluctuate depending upon the changes in the perceived level of credit and counterparty risk as well as any actual event of default. Changes in financial conditions of an issuer, changes in economic and political conditions in general, or changes in economic or and political conditions specific to an issuer, all of which are factors that may have an adverse impact on an issuers credit quality and security value.

- **Liquidity Risk:** The liquidity of the scheme's investment is inherently restricted by trading volumes in the securities in which the scheme invests.

A lower level of liquidity affecting an individual security or an entire market at the same time, may have an adverse bearing on the value of the scheme's assets. More importantly, this may affect the Fund's ability to sell particular securities quickly enough to minimise impact cost, as and when necessary to meet requirements of liquidity or to sell securities in response to triggers such as a specific economic/corporate event.

Trading volumes, settlement periods and transfer procedures may restrict the liquidity of a few or all of the investments and may affect the liquidity of the investments of the scheme.

The scheme may be unable to implement purchase or sale decisions when the markets turn illiquid, missing some investment opportunities or limiting ability to face redemptions. The lack of liquidity could also lead to the risk that the sale price of a security could be substantially lower than the fair value of the security.

- **Interest Rate Risk & Re-investment Risk:** The value of an investment may be affected by interest rate fluctuations. Interest rates may be influenced by several elements or events, such as monetary policy, the discount rate, inflation, etc. The value of debt and fixed income securities held by the Scheme generally will vary inversely with the changes in prevailing interest rates. In general, price of debt and fixed income securities go up when interest rates fall, and vice versa. Securities of any issuer that has higher duration could be riskier in terms of price movements relative to those with lower duration. Thus, any impact of interest rate changes would be higher on securities with higher duration irrespective of the status of the issuer of the security. The investments made by the Scheme are subject to reinvestment risk. This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.

- **Sovereign risk:** The Central Government of India is the issuer of the local currency debt in India. The Government raises money to meet its capital and revenue expenditure by issuing debt or discounted securities. Since payment of interest and principal amount has a sovereign status implying least probability of a default, such securities are known as securities with sovereign credit. It also implies that the credit risk on such Government securities is even lower than that on non-government securities "AAA" rating and hence yields on government securities are even lower than yields on non-government securities with "AAA" rating.

- **Concentration Risk:**

The Scheme may pursue only a limited degree of diversification. It may invest in a limited number of securities or invest a greater proportion of assets in the securities of very few issuers (within the limits permitted by regulation) or be concentrated on a few market sectors as compared to a diversified scheme. The scheme is also expected to have higher market liquidity risk on account of concentration. This could have implications on the performance of the scheme. The scheme may be more sensitive to economic, business, political or other changes and this may lead to sizeable fluctuation in the Net Asset Value of the scheme.

Risk Factors associated with Investments in Derivatives:

The Scheme(s) may use various derivative instruments and techniques, permitted within SEBI (Mutual Funds) Regulations, 1996 from time to time including but not limited for portfolio balancing and hedging purpose, which may increase the volatility of Scheme's performance. Usage of derivatives will expose the Scheme(s) to certain risks inherent to such derivatives.

Derivative products are specialized instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies. The risks associated with the use of derivatives are different from or possibly greater than the risks associated with investing directly in securities and other traditional investments.

The use of a derivative requires an understanding not only of the underlying instrument but also of the derivative itself. There is a possibility that a loss may be sustained by the Scheme(s) as a result of the failure of another party (usually referred to as the "counterparty") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, interest rates and indices. Even a small price movement in the underlying instrument could have a large impact on their value. This could increase the volatility of the Scheme's performance.

In case of hedge, it is possible that derivative positions may not be perfectly in line with the underlying assets they are hedging. As a consequence, the derivative cannot be expected to perfectly hedge the risk of the underlying assets. This also increases the volatility of the Scheme's performance. Some of the risks inherent to derivatives investments include:

1. **Price Risk:** Despite the risk mitigation provided by various derivative instruments, there remains an inherent price risk which may result in losses exceeding actual underlying.
2. **Default Risk:** This is the risk that losses will be incurred due to default by counter party. This is also known as credit risk or counterparty risk.
3. **Basis Risk:** This risk arises when the derivative instrument used to hedge the underlying asset does not match the movement of the underlying being hedged for e.g., mismatch between the maturity date of the futures and the actual selling date of the asset.

4. **Limitations on upside:** Derivatives when used as hedging tool can also limit the profits from a genuine investment transaction.

5. **Liquidity risk:** This risk pertains to how saleable a security is in the market. All securities/instruments irrespective of whether they are equity, bonds or derivatives may be exposed to liquidity risk (when the sellers outnumber buyers) which may impact returns while exiting opportunities.

6. **Execution Risk:** The prices which are seen on the screen need not be the same at which execution will take place.

Risks for writing covered call options for equity shares:

- Writing call options are highly specialized activities and entail higher than ordinary investment risks. In such investment strategy, the profits from call option writing are capped at the option premium, however the downside depends upon the increase in value of the underlying equity shares. Being a covered call, the downside risk is not unlimited, but limited to the extent of change in the price of underlying security held by the Fund.
- The Scheme may write covered call option only in case it has adequate number of underlying equity shares as per regulatory requirement. This would lead to setting aside a portion of investment in underlying equity shares. If covered call options are sold to the maximum extent allowed by regulatory authority, the scheme may not be able to sell the underlying equity shares immediately if the view changes to sell and exit the stock. The covered call options need to be unwound before the stock positions can be liquidated. This may lead to a loss of opportunity or can cause exit issues if the strike price at which the call option contracts have been written become illiquid. Hence, the scheme may not be able to sell the underlying equity shares, which can lead to temporary illiquidity of the underlying equity shares and result in loss of opportunity.
- The writing of covered call option would lead to loss of opportunity due to appreciation in value of the underlying equity shares. Hence, when the appreciation in equity share price is more than the option premium received the scheme would be at a loss.
- The total gross exposure related to option premium paid and received shall not exceed the regulatory limits of the net assets of the scheme.

Risk factors specific to investments in foreign securities:

The Scheme may invest in Foreign Securities including equities / ADRs / GDRs with the approval of RBI/SEBI, subject to such guidelines as may be issued by RBI/SEBI. The net assets, distributions and income of the Scheme may be affected adversely by fluctuations in the value of certain foreign currencies relative to the Indian Rupee to the extent of investments in these securities. Repatriation of such investment may also be affected by changes in the regulatory and political environments. Market risks can be greater with respect to political instability, lack of complete or reliable information, market irregularities or high taxation. The Scheme's NAV may also be affected by a fluctuation in the general and specific level of interest rates internationally, or the change in the credit profiles of the issuers. The liquidation of securities where investments will be made by the schemes shall be subject to the liquidity / settlement issues of the country of investment / settlement. Non-business days in country of investment / settlement may impact the liquidity of the scheme investments.

The Scheme may, where necessary, appoint advisor(s) for providing advisory services for such investments. The appointment of such advisor(s) shall be in accordance with the applicable requirements of SEBI. The fees and expenses would illustratively include, besides the investment management fees, custody fees and costs, transaction costs and overseas regulatory costs, the fees of appointed advisor(s). The fees related to these services would be borne by the AMC and would not be charged to the Scheme.

Risks associated with Securities Lending

Securities Lending is lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lender of securities i.e., the Scheme and the approved intermediary. Such failure to comply can result in a possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The Mutual Fund may not be able to sell such lent securities, and this can lead to temporary illiquidity.

- Risks associated with investing in mutual fund units:

To the extent of the investments in units of mutual funds, the risks associated with investing in such funds like market risk, credit & default risk, liquidity risk, redemption risk including the possible loss of principal; etc. will exist.

Risk associated with investment in ETF:

- ETFs are typically designed to track the performance of certain indices, market sectors or groups of assets such as stocks, bonds or commodities. ETF managers may use different strategies to achieve this goal but in general they do not have the discretion to take defensive positions in declining markets. Investors must be prepared to bear the risk of loss and volatility associated with the underlying index/assets.
- Investments in the securities constituting the Index/commodities are subject to price fluctuation on daily basis. The volatility in the value of those securities is due to various micro and macroeconomic factors like economic and political developments, changes in interest rates, etc. affecting the securities markets. This may have adverse impact on the NAV of Scheme
- The units of the Scheme are to be listed on stock exchanges. However, there can be no assurance that an active secondary market will develop or be maintained.
- Listing and trading of the ETF is undertaken on the Stock Exchanges within the rules, regulation and policy of the Stock Exchange and Regulator. Any change in trading rules, regulation and policy by the regulatory authority would have a bearing on the trading of the units of the ETF and its prices.
- Trading in units of the Scheme on the exchange may be halted due to market conditions or for reasons that in view of the stock exchange or SEBI, trading in the units of the Scheme is not advisable. In addition, trading in units of the scheme is subject to trading halts caused by extraordinary market volatility and pursuant to BSE/NSE and SEBI circuit filter rules. There can be no assurance that the requirements of the market necessary to maintain the listing of units of the Scheme will continue to be met or will remain unchanged.
- Units of the scheme may trade above or below its NAV. The NAV of the scheme will fluctuate with changes in the market value of scheme's portfolio. The trading price of units of the Scheme will change in according with changes in its NAV as well as market supply and demand of units in the scheme. However, given the fact that units of the scheme can be created or redeemed in creation unit directly with the fund, large discounts or premiums to the NAV are not expected to sustain due to the arbitrage opportunity available.
- Any changes in trading regulations by the stock exchange/s or SEBI may affect the ability of the market maker to arbitrage resulting into wider premium/discount to NAV. Although the units are listed on the stock exchanges, the AMC and the Trustee will not be liable for delay in listing of Units of the scheme on the stock exchanges / or due to the connectivity problems with depositories and/or due to the occurrence of any event beyond their control.

Risk factors associated with investments in REITs and InvITs

- ♦ Price Risk / Market Risk: REITs and InvITs Investments are volatile and subject to price fluctuations on a daily basis owing to factors impacting the underlying assets. The valuation of the REIT/InvIT units may fluctuate based on economic conditions, fluctuations in markets (eg. real estate) in

which the REIT/InvIT operates and the resulting impact on the value of the portfolio of assets, regulatory changes, force majeure events etc. REITs & InvITs may have volatile cash flows. As an indirect shareholder of portfolio assets, unit holders' rights are subordinated to the rights of creditors, debt holders and other parties specified under Indian law in the event of insolvency or liquidation of any of the portfolio assets.

- ♦ Liquidity Risk: As the liquidity of the investments made by the scheme(s) could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk. Further, there is no assurance that an active secondary market will develop or be maintained. Hence there would be time when trading in the units could be infrequent. The subsequent valuation of illiquid units may reflect a discount from the market price of comparable securities for which a liquid market exists.
- ♦ Risk of lower-than-expected distributions: The distributions by the REIT or InvIT will be based on the net cash flows available for distribution. The amount of cash available for distribution principally depends upon the amount of cash that the REIT/InvIT receives as dividends or the interest and principal payments from portfolio assets. The cash flows generated by portfolio assets from operations may fluctuate based on, among other things:
 - success and economic viability of tenants and off-takers
 - economic cycles and risks inherent in the business which may negatively impact valuations, returns and profitability of portfolio assets.
 - force majeure events related such as earthquakes, floods etc. rendering the portfolio assets inoperable.
 - debt service requirements and other liabilities of the portfolio assets
 - fluctuations in the working capital needs of the portfolio assets
 - ability of portfolio assets to borrow funds and access capital markets.
 - changes in applicable laws and regulations, which may restrict the payment of dividends by portfolio assets.
 - amount and timing of capital expenditures on portfolio assets
 - insurance policies may not provide adequate protection against various risks associated with operations of the REIT/InvIT such as fire, natural disasters, accidents.
- ♦ Interest Rate Risk - Generally, when interest rates rise, prices of units fall and when interest rates drop, such prices increase.
- ♦ Reinvestment Risk: Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.
- ♦ Credit Risk: In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. REITs & InvITs are likely to have volatile cash flows as the repayment dates would not necessarily be prescheduled.
- ♦ Regulatory/Legal Risk: REITs and InvITs being new asset classes, rights of unit holders such as right to information etc may differ from existing capital market asset classes under Indian Law.

The above are some of the common risks associated with investments in REITs & InvITs. There can be no assurance that a Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis.

Risk factors associated with investments in repo transactions in corporate debt:

The Scheme may be exposed to counter party risk in case of repo lending transactions in the event of the counterparty failing to honour the repurchase agreement. However, in repo transactions, the collateral may be sold, and a loss is realized only if the sale price is less than the repo amount. The risk is further mitigated through over-collateralization (the value of the collateral being more than the repo amount).

Risks associated with segregated portfolio:

- Investor holding units of segregated portfolio may not be able to liquidate their holding till the time recovery of money from the issuer.
- Security comprises of segregated portfolio may not realise any value.

- Listing of units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.
- Trading in the units of segregated portfolio on the Exchange may be halted because of market conditions, including any halt in the operations of Depository Participants or for reasons that in view of the Exchange Authorities or SEBI, trading in the units is suspended and / or restricted. In addition, trading in units is subject to trading halts caused by extraordinary market volatility and pursuant to stock exchange necessary to maintain the listing of units of scheme will continue to be met or will remain unchanged.

Risks associated with investing in securitised debt:

The scheme may invest in domestic securitized debt such as asset backed securities (ABS) or mortgage-backed securities (MBS). ABS means securitized debts wherein the underlying assets are receivables arising from personal loans, automobile loans, etc. MBS means securitized debts wherein the underlying assets are receivables arising from loans backed by mortgage of properties which can be residential or commercial in nature. ABS / MBS instruments reflect the undivided interest in the underlying of assets and do not represent the obligation of the issuer of ABS / MBS or the originator of the underlying receivables. The ABS / MBS holders have a limited recourse to the extent of credit enhancement provided. Securitized debt may suffer credit losses in the event of the delinquencies and credit losses in the underlying pool exceeding the credit enhancement provided. As compared to the normal corporate or sovereign debt, securitized debt is normally exposed to a higher level of reinvestment risk.

Pass through Certificate (PTC) (Pay through or other Participation Certificates) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two-wheeler loans and other assets subject to applicable regulations.

How the risk profile of securitized debt fits into the risk appetite of the scheme

Securitized debt is a form of conversion of normally non-tradable loans to transferable securities. This is done by assigning the loans to a special purpose vehicle (a trust), which in turn issues Pass-Through-Certificates (PTCs). These PTCs are transferable securities with fixed income like characteristics. The risk of investing in securitized debt is similar to investing in debt securities. In addition, securitized debt may also carry prepayment risk and has a relatively higher liquidity risk (the same are explained in the sections that follow). However, if the fund manager evaluates that the additional risks are suitably compensated by the higher returns, he may invest in securitized debt up to the limits specified in the asset allocation table. The investment shall be in securitized instruments that are top rated (AAA/ A1+) or its equivalent, by a recognised credit rating agency for the retail pool, and for single loan securitization, limits will be assigned as per the internal credit policy of the Fund.

Policy relating to originators The originator is the person who has initially given the loan. The originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). An analysis of the originator is especially important in case of retail loans as this affects the credit quality and servicing of the PTC. Originators may be : Banks, Non Banking Finance Companies, Housing Finance Companies, etc. The fund manager's evaluation will be based on the track record of the originator, delinquencies in the pool and the seasoning of the pool. Other factors that will be considered are loan type, size of the loan, average original maturity of the pool, Loan to Value Ratio, geographical distribution, liquid facility, default rate distribution, credit enhancement facility and structure of the pool.

Risk associated with each kind of originator:

(a) Prepayment risk : MBS and ABS are subject to prepayment risk. When the underlying loans are paid off by the borrower prior to their respective due dates, this is known as a prepayment. It could be triggered on account of various factors particularly in periods of declining interest rates. The possibility of such prepayment may require the scheme to reinvest the proceeds of such investments in securities offering lower yields, thereby.

(b) **Interest rate risk** : MBS carry interest rate risk. Home loan borrowers are provided the facility of refinancing their loans at the prevailing interest rates. A lowering of interest rates could induce a borrower to pay his loan off earlier than the scheduled tenure, whereas if the interest rates move upward, the borrower would tend to hold on to his loan for a longer period, thus increasing the maturity of the bond. The maturity of the bond could therefore shorten or lengthen, depending on the prevailing interest rates.

(c) **Credit risk / default risk** : MBS and ABS also carry credit or default risk. MBS and structures carry built in credit enhancement in different forms. However, any delinquencies would result in reduction of the principal amount if the amount available in the credit enhancement facility is not enough to cover the shortfall. Historically, housing loans have had lower default rates than other forms of credit.

(d) **Price risk / liquidity risk** : MBS and ABS are subject to prepayment risk. Limited volumes of trading in securitized paper in secondary market could restrict or affect the ability of the scheme to re-sell them. Thus, these trades may take place at a discount, depending on the prevailing interest rates.

In case of securitization involving single loans or a small pool of loans, the credit risk of the underlying borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to assess the credit risk. Securitization transactions may include some risk mitigants (to reduce credit risk). These may include interest subvention (difference in interest rates on the underlying loans and the PTC serving as margin against defaults), overcollateralization (issue of PTCs of lesser value than the underlying loans, thus even if some loans default, the PTC continues to remain protected), presence of an equity / subordinate tranche (issue of PTCs of differing seniority when it comes to repayment - the senior tranches get paid before the junior tranche) and / or guarantees.

Level of diversification with respect to the underlying assets and risk mitigation measures for less diversified investments: Currently, the following parameters are used while evaluating investment decision relating to a pool securitization transaction. These parameters may be revised the from time to time.

Characteristics/ Type Of Pool	Mortgage Loan	Commercial Vehicle and Construction Equipment	Car	Two Wheelers	Micro Finance Pools	Personal Loans	Single Sell Downs	Others
Approximate Average maturity (in Months)	Up to 10 Yrs	Up to 3 yrs	Up to 3 yrs	Up to 3 yrs	NA	NA	Refer to Note a	Refer to Note b

Notes

- In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. The investment limits applicable to the underlying borrower are applied to the single loan sell-down.
- Other investments will be decided on a case-to-case basis.

Minimum retention period of the debt by originator prior to securitization

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements. In addition, RBI has proposed minimum

holding period of between nine and twelve months for assets before they can be securitized. The minimum holding period depends on the tenure of the securitization transaction. The Scheme will invest in securitized debt that is in compliance with the regulations.

Minimum retention percentage by originator of debts to be securitized

RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements, including maximum exposure by the originator in the PTCs. In addition, RBI has proposed minimum retention requirement of between five and ten percent of the book value of the loans by the originator. In the PTCs. In addition, RBI has proposed minimum retention requirement of between five and ten percent of the book value of the loans by the originator. The minimum retention requirement depends on the tenure and structure of the securitization transaction. The Scheme will invest in securitized debt that is in compliance with the regulations.

Mechanism to tackle conflict of interest when the mutual fund invests in securitised debt of an originator and the originator in turn invests makes investments in that particular scheme of the fund

The key risk in securitized debt relates to the underlying borrowers and not the originator. In a securitization transaction, the originator is the seller of the debt(s) and the scheme is the buyer. However, the originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). As the originators may also invest in the scheme, the fund manager shall ensure that the investment decision is based on parameters as set by the Investment Committee (IC) of the AMC and IC shall review the same at regular interval.

The resources and mechanism of individual risk assessment with the AMC for monitoring investments in securitised debt

The fund management team including the credit analyst has the experience to analyze securitized debt. In addition, credit research agencies provide analysis of individual instruments and pools. On an on-going basis (typically monthly) the servicer provides reports regarding the performance of the pool. These reports would form the base for ongoing evaluation where applicable. In addition, rating reports indicating rating changes would be monitored for changes in rating agency opinion of the credit risk.

Risk Factors associated with investments in debt instruments having Structured Obligations:

The risks factors stated for debt instruments having Structured Obligations (SO) are in addition to the risk factors associated with fixed income instruments:

- SO transactions are asset backed/ mortgage backed securities, securitized paper backed by hypothecation of car loan receivables, securities backed by trade receivables, credit card receivables etc. In case of SO rated issuer, the underlying loan pools or securitization, etc. is assessed to arrive at rating for the issuer.
- SO rated securities are often complex structures, with a variety of credit enhancements. Debt securities lack a well-developed secondary market in India, and due to structured nature of SO securities, the liquidity in the market for these instruments is adversely affected compared to similar rated debt instruments. Hence, lower liquidity of such instruments, could lead to inability of the scheme to sell such debt instruments and generate liquidity for the scheme or higher impact cost when such instruments are sold.
- In case of SO transactions, comingling risk and risk of servicer increases the overall risk for the securitized debt or assets backed transactions. Therefore, apart from issuer level credit risk such debt instruments are also susceptible to structure related credit risk.

Other Risks:

- ♦ **Risk associated with inflation:** Over time, yields of short-term investments may not keep pace with inflation, leading to a reduction in an investment's purchasing power.
- ♦ **Legal risk:** The scheme may be affected by the actions of government and regulatory bodies. Legislation could be imposed retrospectively or may be issued in the form of internal regulations which the public may not be aware of. Legislation (including legislation relating to tax) or regulation may be introduced which inhibits the scheme from pursuing their strategies or which renders an existing strategy less profitable than anticipated. Such actions may take any form, for example nationalization of any institution or restrictions on investment strategies in any given market sector

or changing requirements and imposed without prior warning by any regulator.

- ♦ **Taxation risk:** The value of an investment may be affected by the application of tax laws, including withholding tax, or changes in government or economic or monetary policy from time to time. As such, no guarantee can be given that the financial objectives will actually be achieved. The tax information described in this Scheme Information Document (SID) is as available under the prevailing taxation laws. This could be changed at any moment by regulation. Further, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the scheme will endure indefinitely.
- ♦ **Valuation risk:** This risk relates to the fact that markets, in specific situations and due to lack of volumes of transactions, do not enable an accurate assessment of the fair value of invested assets. In such cases, valuation risk represents the possibility that, when a financial instrument matures or is sold in the market, the amount received is less than anticipated, incurring a loss to the portfolio and therefore impacting negatively the NAV of the scheme.
- ♦ **Operational Risk:** Operational risk addresses the risk of trading and back office or administration issues that may result in a loss to the Scheme. This could be the result of oversight, ineffective securities processing procedures, computer systems problems or human error. There could also be risk associated with grouping of orders. For instance, at the time of placing the trades, the fund manager shall group orders on behalf of all schemes managed by him, provided it is unlikely to be detrimental overall for any of the schemes whose orders have been included. However, such grouping may have a detrimental effect to the scheme compared to the execution of an individual order for the scheme.
- ♦ **Risk factors associated with processing of transaction in case of investors investing in mutual fund units through Stock Exchange Mechanism:** The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE or any other recognized stock exchange(s), on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing / settlement, etc. upon which the Fund and the AMC have no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s) upon which the Fund and the AMC have no control. Accordingly, there could be negative impacts to the investors such as delay or failure in allotment / redemption of Units. The Fund and the AMC are not responsible for the negative impacts.

C. Risk Mitigation Strategies

Investments made by the Scheme would be in accordance with the investment objective of the Scheme and the provisions of the SEBI (MF) Regulations. Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. While allocating and choosing securities, the Investment Manager will aim to diversify by gaining broad exposure to different industries and companies in order to reduce risk.

Risk Mitigation measures for investments in equity / equity related instruments

- The Scheme aims to maintain a well-diversified equity portfolio comprising stocks across various sectors of the economy. This shall aid in managing concentration risk and sector specific risks.
- The Scheme will maintain a portfolio diversified across a large number companies. Exposure to individual companies would be in accordance with the risk management and regulatory limits. This diversified portfolio would aid in managing volatility and also improve liquidity of the portfolio.
- The Scheme's will strive to mitigate risk through a judicious mix of Debt and Money Market Instruments and equity/ equity related instruments.

Risk Mitigation measures for investments in debt instruments

The investments in debt and Money Market instruments would be undertaken after assessing the associated credit risk, interest rate risk and liquidity risk. The AMC shall undertake credit evaluation of each investment opportunity and invest in rated papers of companies having a sound background, strong fundamentals and quality of management and financial strength. In addition, the Scheme would endeavor

to invest in instruments with a relatively higher liquidity, and will seek to manage the duration of the debt assets on proactive basis to manage interest rate risk and to optimize returns.

The Scheme may also use various derivatives and hedging products from time to time, as would be available and permitted by SEBI/RBI for the purpose of hedging and portfolio rebalancing.

The above risk control measures shall be implemented by the AMC on best effort basis however there can be no guarantee that such measures can completely mitigate the risks involved in Scheme.

Position of debt & money market in India

The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporates. Government and public sector enterprises are the predominant borrowers in the markets. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporates. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The G-Sec market is the oldest and the largest component of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Sec market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc.

The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. A large part of the issuance in the non-Government debt market is currently on private placement basis.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI). In a predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporates. In money market, activity levels of the Government and nongovernment debt vary from time to time. Instruments that comprise a major portion of money market activity include but not limited to:

- Overnight Call
- Tri-party repo on Government Securities or treasury bills (TREPS).

- Repo/Reverse Repo Agreement
- Treasury Bills
- Government securities
- Commercial Paper
- Certificate of Deposit

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. Though not strictly classified as money market instruments, PSU / DFI / corporate paper with a residual maturity of < 1 year, are actively traded and offer a viable investment option. The market has evolved in past 2-3 years in terms of risk premia attached to different class of issuers. Bank CDs have clearly emerged as popular asset class with increased acceptability in secondary market. PSU banks trade the tightest on the back of comfort from majority government holding. Highly rated manufacturing companies also command premium on account of limited supply. However, there has been increased activity in papers issued by private/foreign banks/NBFCs/companies in high-growth sector due to higher yields offered by them. Even though companies across these sectors might have been rated on a same scale, the difference in the yield on the papers for similar maturities reflects the perception of their respective credit profiles.

Instruments	Current yield as on October 31, 2025 (% per annum)
TREPS	5.50-5.75
3M T-Bill	5.40-5.50
1 Y T-Bill	5.55-5.60
10 Y G Sec	6.50-6.60
3M PSU Bank CD	5.95-6.05
3M NBFC CP	6.40-6.50
1 Y PSU Bank CD	6.40-6.50
1 Y NBFC CP	6.75-6.85
1Y Manufacturing Company CP	6.50-6.60
5 Y AAA Institutional Bond	6.80-6.85
10 Y AAA Institutional Bond	7.10-7.15

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro-economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro-economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

B. What are the investment restrictions?

Pursuant to the SEBI Regulations, the following investment restrictions are applicable to the scheme:

- 1) The Scheme shall not invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any entity.
- 2) The Mutual Fund under all its schemes should not own more than 10 per cent of any company's paid-up capital carrying voting **rights or ten per cent of units of REITs issued by a single issuer, as the case may be**.  - c. All such investments shall be made with the prior approval of the Board of AMC and the Board of Trustees.
- 8) The Scheme shall not invest in unrated debt and money market instruments. For this purpose, unrated debt securities shall exclude instruments such as tri-party repo on government securities or treasury bills, Reverse Repo, short term deposit, treasury bills, government securities and such instruments to which rating is not applicable.
 - 9) Transfer of investments from one scheme to another scheme in the same Mutual Fund, shall be allowed only if,-
 - (i) such transfers are done at the prevailing market price for quoted instruments on spot basis.
Explanation: "Spot basis" shall have the same meaning as specified by stock exchange for spot transactions.
 - (ii) the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.

Further, provisions of para 12.30 of SEBI Master circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 and such other guidelines, shall also be complied with for such transfers.
 - 10) A scheme may invest in another scheme under the same AMC or any other mutual fund without charging any fees, provided that aggregate inter-scheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund.
 - 11) The Mutual Fund will buy and sell securities on the basis of deliveries and shall in all cases of purchase, take delivery of relevant securities and in all cases of sale, deliver the securities.

Provided that a mutual fund may enter into derivatives transactions in a recognised stock exchange, subject to the framework specified by SEBI. Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by RBI in this regard.

- 12) The Mutual Fund shall get the securities purchased or transferred in the name of the Mutual Fund on account of the concerned scheme, wherever investments are intended to be of a long-term nature.
- 13) In terms of Para 12.16 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, pending deployment of funds of the Scheme in securities in terms of the investment objective of the Scheme, the Mutual Fund may invest the funds of the Scheme in short term deposits of scheduled commercial banks subject to restrictions laid down under the SEBI Regulations from time to time. Provided that the mutual fund shall not borrow more than 20% of the net asset of the scheme and the duration of such a borrowing shall not exceed a period of six months.
- 19) SEBI has permitted Mutual Funds to participate in derivatives trading subject to observance of guidelines issued by it in this behalf. Accordingly, Mutual Funds may use various derivative products from time to time, as would be available and permitted by SEBI. The Mutual Fund would comply with the provisions of SEBI Circular Ref. No. DNP/Cir-29/2005 dated September 14, 2005 and para 7.5 of SEBI Master circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 and such other amendments issued by SEBI from time to time while trading in derivatives. Presently, the position

limits for trading in derivatives by Mutual Fund specified by SEBI vide its circular Ref. No. DNP/29/2005 dated September 14, 2005, circular Ref. No. DNP/30/2006, dated January 20, 2006, circular Ref. No. SEBI / DNP /31/2006 dated September 22, 2006 and circular Ref. No. SEBI/HO/MRD /DP/CIR/P/2016/143 dated December 27, 2016 are as follows:

The position limits for Mutual Funds and its schemes shall be under:

(i) Position limit for Mutual Funds in index options contracts:

- The Mutual Fund position limit in all index options contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest of the market in index options, whichever is higher, per Stock Exchange.
- This limit would be applicable on open positions in all options contracts on a particular underlying index.

(ii) Position limit for Mutual Funds in index futures contracts:

- The Mutual Fund position limit in all index futures contracts on a particular underlying index shall be Rs.500 crore or 15% of the total open interest of the market in index futures, whichever is higher, per Stock Exchange.
- This limit would be applicable on open positions in all futures contracts on a particular underlying index.

(iii) Additional position limit for hedging:

In addition to the position limits at point (i) and (ii) above, Mutual Funds may take exposure in equity index derivatives subject to the following limits:

- Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
- Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.

(iv) Position limit for Mutual Funds for stock based derivative contracts:

- The combined futures and options position limit shall be 20% of the applicable Market Wide Position Limit (MWPL)
- The MWPL and client level position limits however, would remain the same as prescribed.

(v) Position limit for each scheme of a Mutual Fund:

The scheme-wise position limit requirements shall be:

- For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a mutual fund shall not exceed the higher of:
 - 1% of the free float market capitalization (in terms of number of shares). Or
 - 5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).
- This position limits shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.
- For index based contracts, Mutual Funds shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index

20) Pursuant to para 12.24 and para 12.25 of SEBI Master Circular dated June 27, 2024 the following norms for investment in derivatives shall be applicable.

1. The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the scheme.
2. The scheme shall not write options or purchase instruments with embedded written options.
3. The total exposure related to option premium paid must not exceed 20% of the net assets of the scheme.
4. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.
5. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:

- (i) Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
 - (ii) Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in point 1 above.
 - (iii) Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
 - (iv) The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.
6. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point 1 above.
7. Definition of Exposure in case of Derivative Positions:
Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

Position	Exposure
Long Future	Futures Price * Lot Size * Number of Contracts

The scheme shall comply with the requirements stated in para 12.25.11 of SEBI Master Circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 as amended from time to time.

8. Indian MF schemes can now invest in Overseas MFs/UT, provided that the total exposure of Overseas MFs/UT in Indian securities is not more than 25% of their net assets as per the provisions of SEBI Circular no SEBI/HO/IMD/IMD-PoD-1/P/CIR/149 dated November 04, 2024.

All investment restrictions shall be applicable at the time of making investment.

Further, pursuant to SEBI circular dated June 26, 2025, deviation of prudential limits due to passive breaches (occurrence of instances not arising out of omission and commission of AMC) should be rebalanced within 30 business days. If such passive deviations of prudential limits are not rebalanced within 30 business days, justification in writing, including details of efforts taken to rebalance the passive breach shall be placed before the Investment Committee of the AMC. The Investment Committee, if it so desires, can extend the timeline for rebalancing of passive breach up to sixty (60) Business Days from the date of completion of mandated rebalancing period. In case the passive deviation of prudential limits is not rebalanced within the aforementioned mandated plus extended timelines the AMC shall comply with the prescribed restrictions, reporting and disclosure requirements as specified in para 2.9 of SEBI Master Circular dated June 27, 2024.

Apart from the investment restrictions prescribed under the SEBI Regulations, internal risk parameters for limiting exposure to a particular scrip or sector may be prescribed from time to time to respond to the dynamic market conditions and market opportunities. The AMC / Trustee may alter the above investment restrictions from time to time to the extent that changes in the SEBI Regulations may allow and as deemed fit in the general interest of the unit holders.

D. Other Scheme Specific Disclosures:

Listing and transfer of units	<p><u>Listing:</u> At present, the Units of the Scheme are not proposed to be listed on any stock exchange. However, the AMC / Trustee may at their sole discretion list the Units under the Scheme on one or more stock exchanges at a later date.</p> <p><u>Transfer of units:</u> Unless otherwise restricted or prohibited, units shall be freely transferable by act of parties or by operation of law. Transfer of units will be subject to submission of valid documents and fulfillment of the eligibility requirements by the unitholder/investor as stated under AMFI best Practice guideline No. 135/BP/116/2024-25 dated August 14, 2024, AMFI best Practice guideline No. 135/BP/119/2025-26 dated May 8, 2025 and AMC internal processes, if any</p> <p>For further details, refer SAI</p>
Dematerialization of units	<p>Pursuant to para 14.4.2 of SEBI Master Circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024; the unit holders of the scheme shall be provided an option to hold units in demat form in addition to physical form. The following shall be applicable:</p> <ol style="list-style-type: none"> 1. The unit holder opting to hold units in demat form must provide their demat account details in the specified section of the application form. Such unit holder should have a beneficiary account with the depository participant (DP) (registered with NSDL / CDSL) and shall be required to indicate in the application form the name of the DP, DP ID Number and the beneficiary account number. The unit holder must mandatorily provide latest client investor master or demat account statement along with the application form. 2. Units held in demat form are transferable (except for Equity Linked Savings Scheme) in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996 as may be amended from time to time. Transfer can be made only in favor of transferees who are capable of holding units and having a valid demat account.

	<p>3. In case, the unit holder desires to hold the units in a demat/rematerialized form at a later date, the request for conversion of units held in non-demat form into Demat (electronic) form or vice-versa should be submitted alongwith a demat/remat request form to the DP directly and not to the AMC or the Registrar and Transfer Agent (RTA) of the Fund. The AMC shall then issue units in the desired form on the receipt of valid documents from the respective DP. The credit of the converted units shall be reflected in the transaction statement provided by the DP to its client. Similarly, request for redemption or any other non – financial request shall be submitted directly to the DP and not to the AMC/ RTA of the Fund.</p> <p>4. For the units held in demat form investors will receive an account statement from their respective DPs and not from AMC / RTA of the Fund.</p> <p>5. Units will be credited in the demat account only based on fund realization.</p> <p>6. The facility of availing the units in demat / remat form is available subject to such processes, operating guidelines and terms & conditions as may be prescribed by the DPs and the depositories from time to time.</p> <p>As per para 14.4.2 of SEBI Master Circular dated June 27, 2024 and AMFI communication no. 35P/MEM-COR/35/11-12 dated December 23, 2011 an option to hold units in demat form shall be available for SIP transactions. The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques and / or any delay / loss in transit.</p> <p>Investors would be required to submit any one of the following documents, in case the cheque provided along with fresh subscription/new folio creation does not belong to the bank mandate specified in the application form:</p>

	<p>(i)Original cancelled cheque or photocopy of the cheque having the First Holder name printed on it;</p> <p>(ii)Original cancelled cheque or photocopy of the cheque without having the name printed on it and either of (a) Original bank statement reflecting the First Holder Name, Bank Account Number and Bank Name as specified in the application (b) Photocopy of the bank statement/ bank pass book duly attested by the bank manager/ authorized official and bank seal (c) Bank Confirmation for the name and Bank Account Number of the First Holder along with MICR & IFSC details duly signed by the bank manager/authorized official.</p> <p>In case, the application for subscription does not comply with the above requirements, the AMC may, at its sole and absolute discretion, reject/not process such application and refund the subscription amount to the bank account from where the investment was made and shall not be liable for any such rejection/refund.</p> <p>Registration of multiple bank accounts</p> <p>Unitholders can also register multiple bank accounts in his folio. The "Change of Bank Mandate & Registration of Multiple Bank Account Form" shall be used by the unitholders for change in existing bank mandate or for registration of multiple bank account details for all investments held in the specified folio (existing or new). Individuals and HUF investors can register up to 5 bank accounts and non-individuals can register upto 10 bank accounts by filling up the Multiple Bank Registration Form. AMC / RTA shall adopt the same process of verification for the above registration as is applicable for change of bank mandate.</p>
<p>Delay in payment of redemption / repurchase proceeds/dividend</p>	<p>Beyond 3 working days from the date of receipt of redemption request, the AMC shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delays (presently @ 15% per annum).</p> <p>The AMC shall be liable to pay interest to the unitholders at rate as specified vide clause 14.2 of SEBI Master Circular for Mutual Funds dated June 27, 2024 by SEBI for the period of such delay.</p>
<p>Policy on Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount</p>	<p>The treatment of Unclaimed Redemption and IDCW amount shall be as per para 14.3 of Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024.</p> <p>For more details refer "SAI"</p>
<p>Disclosure w.r.t investment by minors</p>	<p>Investments (including through existing SIP registrations) in the name of minors shall be permitted only from bank account of the minor, parent or legal guardian of the minor or from a joint account of the minor with the parent or legal guardian.</p> <p>In case of minor's application, AMC will register systematic transactions (SIP/STP/SWP/etc.) till the date of the minor attaining majority, though the instructions may be for a period beyond that date. Prior to minor attaining majority, AMC shall send advance notice to the registered correspondence address advising the guardian and the minor to submit an application form along with prescribed documents to change the status of the account to "major". The account shall be frozen for operation by the guardian on the day the minor attains the age of majority and no fresh transactions shall be permitted till the documents for changing the status are received.</p>

	Further to note that the redemption/ Income Distribution cum Capital Withdrawal (IDCW) proceeds for investments held in the name of Minor shall continue to be transferred to the verified bank account of the minor (i.e. of the minor or minor with parent/ legal guardian) only. Therefore, investors must ensure to update the folios with minor's bank account details as the 'Pay-out Bank account' by providing necessary documents before tendering redemption requests / for receiving IDCW distributions. Please refer "SAI" for disclosures w.r.t investment by minors

Based on the para 16.6 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, to comply with the requirements of RTA inter-operable Platform for enhancing investors' experience in Mutual Fund transactions / service requests, the Qualified RTAs (QRTA's), Kfin Technologies Limited (Kfintech) and Computer Age Management Services Limited (CAMS) have jointly developed MFCentral - A digital platform for Mutual Fund investors.

MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs that significantly reduces the need for submission of physical documents by enabling various digital / phygital services to Mutual fund investors across fund houses subject to applicable Terms & Conditions of the MFCentral platform. MFCentral will be enabling various features and

services in a phased manner. MFCentral may be accessed using link <https://mfcentral.com/> (or its app in future).

With a view to comply with all provisions of the aforesaid circular, AMC/the Fund designates MFCentral as its Official Points of Acceptance of Transactions (OPAT) w.e.f. September 23, 2021.

Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral, may do so at any of the designated Investor Service centres or collection centres of Kfintech or CAMS.
