PRESENTING

## BARODA BNP PARIBAS MANUFACTURING FUND

(An open-ended equity scheme predominantly investing in Manufacturing theme)

**NFO PERIOD | 10<sup>TH</sup> - 24<sup>TH</sup> JUNE, 2024**

India's manufacturing sector is on the cusp of a holistic surge, driven by a potent combination of government initiatives and expanding domestic market. Capitalize on this exciting opportunity by investing in Baroda BNP Paribas Manufacturing Fund.

### Why Invest in Manufacturing Sector?

**Government Support:** The government has initiated several schemes, like the Skill India / Apprentice program, Atmanirbhar Bharat for import items, and PLI schemes to provide technical and financial assistance to build in India. Reforms like GST helps in bringing a shift from unorganized to organized sectors, thereby leading to more transparency, and boosting a conducive business environment.

**Demographic Dividend:** India has a large young population which is well educated, speaks English, and is available at a comparatively low cost leading to cost advantages in manufacturing.

**Focus on Infrastructure Development:** The government's emphasis on improving the overall infrastructure by adding new tracks and new-age railways, constructing massive highways, and adding more airports and ports, provides impetus to the manufacturing sector.

### Why invest in Baroda BNP Paribas Manufacturing Fund?

The scheme aims to maximize long-term capital appreciation by investing in equity & equity related securities of companies engaged in the manufacturing sector. Manufacturing is the backbone of any economy. By investing in the scheme, investors can participate in India's growth journey.
